

# Contents

<b>CHAPTER 1</b>	
<b>INTRODUCTION .....</b>	<b>1</b>
Terminology—Its Importance .....	1
General Body Plan .....	1
Structural Units .....	4
Anatomical Variations .....	10
The Life Substance and Its Properties .....	10
Homeostasis .....	11
Basic Physiological Processes .....	12
<i>Outline Summary</i> .....	15
<i>Review Questions</i> .....	16
<b>CHAPTER 2</b>	
<b>THE SKELETAL SYSTEM .....</b>	<b>18</b>
Composition and Function .....	18
Formation and Development .....	18
Types of Bones .....	18
Bone Markings .....	19
Divisions of the Skeleton .....	21
Articulations (Joints) .....	38
Types of Joint Movement .....	40
<i>Outline Summary</i> .....	41
<i>Review Questions</i> .....	42

**CHAPTER 3**

<b>THE MUSCULAR SYSTEM .....</b>	43
Muscle Tissue .....	43
Skeletal Muscles in General .....	45
Representative Skeletal Muscles .....	46
Muscle Physiology .....	54
Special Features of Skeletal Muscle .....	58
<i>Outline Summary</i> .....	59
<i>Review Questions</i> .....	60

**CHAPTER 4**

<b>THE NERVOUS SYSTEM .....</b>	61
General Function of the Nervous System .....	61
Neurons .....	62
Neuroglia .....	64
Terminology .....	65
The Central Nervous System .....	65
The Autonomic Nervous System .....	83
The Eye .....	87
The Ear .....	91
<i>Outline Summary</i> .....	95
<i>Review Questions</i> .....	96

**CHAPTER 5**

<b>THE CIRCULATORY SYSTEM .....</b>	98
Introduction .....	98
Blood .....	98
The Heart .....	104
The Fetal Heart .....	107
Blood Vessels .....	107
Fetal Circulation .....	112
Physiology of Circulation .....	113
The Lymphatic System .....	116
<i>Outline Summary</i> .....	118
<i>Review Questions</i> .....	121

**CHAPTER 6**

<b>THE RESPIRATORY SYSTEM .....</b>	122
General Considerations .....	122
Anatomy of the Respiratory System .....	122
Physiology of the Respiratory System .....	131
<i>Outline Summary</i> .....	138
<i>Review Questions</i> .....	140

## CHAPTER 7

<b>THE DIGESTIVE SYSTEM .....</b>	141
Introduction .....	141
General Plan .....	141
Anatomy of the Digestive System .....	145
Passage of Food Through the Digestive Tract .....	154
Digestion .....	156
Absorption .....	162
Metabolism .....	164
<i>Outline Summary</i> .....	167
<i>Review Questions</i> .....	170

## CHAPTER 8

<b>THE URINARY SYSTEM AND WATER BALANCE .....</b>	171
Introduction .....	171
The Kidneys .....	171
Formation of Urine .....	175
The Ureters .....	178
The Urinary Bladder .....	179
The Urethra .....	180
Micturition .....	180
Water Balance .....	182
<i>Outline Summary</i> .....	183
<i>Review Questions</i> .....	185

## CHAPTER 9

<b>THE ENDOCRINE GLANDS .....</b>	186
Introduction .....	186
Properties of Hormones .....	186
Types of Endocrine Glands .....	188
Glands of the Endocrine System .....	188
<i>Outline Summary</i> .....	202
<i>Review Questions</i> .....	205

## CHAPTER 10

<b>THE REPRODUCTIVE SYSTEMS .....</b>	206
Introduction .....	206
Male Reproductive System .....	206
Female Reproductive System .....	213
Pregnancy and the Placenta .....	220
<i>Outline Summary</i> .....	222
<i>Review Questions</i> .....	224

**Contents**

<b>ANATOMY AND PHYSIOLOGY REFERENCES .....</b>	225
<b>DICTIONARIES AND ATLASES .....</b>	226
<b>GLOSSARY .....</b>	227
<b>METRIC LINEAR MEASUREMENTS .....</b>	231
<b>INDEX .....</b>	233
