PREFACE	vii
ACKNOWLEDGEMENT	viii
INAUGURAL ADDRESS	
Inaugural Address on the Occasion of the Opening Ceremony of the Fourth Asian Congress of Nutrition, Bangkok, Thailand <i>Her Royal Highness Princess Maha Chakri Sirindhorn</i>	1
KEYNOTE ADDRESS	
Poverty, Malnutrition and National Development <i>Boonchu Rojanastien</i>	4
SPECIAL REPORTS	
Role of IUNS in Promoting Nutrition <i>R Buzina</i>	10
Role of the United Nations University and Other UN Agencies in Solving Nutrition Problems <i>Nevin S Scrimshaw</i>	
Report of FANS Activities <i>Aree Valyasevi</i>	21
PLENARY SESSIONS	
NUTRITION IN PRIMARY HEALTH CARE	
Nutrition in Primary Health Care (Thailand) <i>Amorn Nondasuta, et al.</i>	22
Nutrition in Primary Health Care : Indonesia experience <i>R Soebekti</i>	27
FOOD, AGRICULTURE, AND NUTRITION POLICY	
Role of Agriculture, Food and Nutrition Policies in Solving Nutrition Problems in Asia <i>SS Puri</i>	30
An Economist's View on Nutrition Problems <i>Snoh Unakul</i>	36
The Livelihood Movement in Philippine Nutrition <i>Florentino S Solon</i>	42

ASSESSMENT OF NUTRITIONAL STATUS, THEORETICAL BASIS, AND PRACTICAL PROBLEMS

- Role of Laboratory in the Detection of Vitamin Malnutrition** 47
Mahtab S Bamji
- Food Intake and Energy Expenditure : Guidelines for Field Work** 53
JVGA Durnin
- Special Aspects of Nutrition During Lactation and Child Development** 60
Roger G Whitehead

TRENDS IN INFANT FEEDING

- Infant Feeding in Asian Countries** 67
Prasong Tuchinda
- The Adequate Level of Energy and Protein Intake of the Children in Nurseries (2-3 Years)** 73
Ying Chang, et al.
- Trends in Infant Feeding in U.S.** 78
Lewis A Barness

SYMPOSIA & WORKSHOPS

UPDATE IN CLINICAL NUTRITION

- Management of Patients with Hypercholesterolemia** 82
Akira Yamamoto
- Interactions of Malnutrition and Diarrhea** 88
Lincoln C Chen
- Lactose Intolerance** 97
Arne L Dahlqvist

ROLE OF FOOD INDUSTRY IN PROMOTING BETTER NUTRITION

- Role of Food Industry in Promoting Human Nutrition : The Pediatrician's Point of View** 102
Gavin C Arneil
- Role of International Agencies in Regulating Safety and Nutritional Qualities of Food** 109
Raj K Malik

COMMUNICATION TECHNIQUE IN NUTRITION EDUCATION INFORMATION

- The "ABC Model" for Developing Communication to Change Behavior** 115
Jean E Andersen

Communication for Behavioral Change : Radio vs Video Van <i>Sakorn Dhanamitta, et al.</i>	124
Management of Media Dissemination (Philippines) <i>Mercedes Solon, et al.</i>	129
Nutrition Education in the Indonesia Family Nutrition Improvement Program <i>Suaspendi Notodihardjo</i>	142
Reports and Recommendation from the Asian Regional Workshop on Effective Communication for Nutrition in Primary Health Care <i>Aree Valyasevi</i>	146
PARENTERAL NUTRITION IN MEDICAL PRACTICE	
Current Status on Parenteral Nutrition <i>Yvon A Carpentier</i>	148
Carbohydrate Sources in Total Parenteral Nutrition <i>Harumasa Ohyanagi and Yoichi Saitoh</i>	153
Fat in Parenteral Nutrition <i>Vichai Tanphaichitr</i>	160
The Use of Amino Acids in Postoperative Patients <i>Yoshiya Mashima</i>	166
Parenteral Nutrition in Liver Failure <i>Akira Okada</i>	171
VITAMIN A MALNUTRITION	
Combat of Vitamin A Deficiency <i>Lester J Teply</i>	174
Some Observations on the Potential for the Dietary Approach to Combat Vitamin A Deficiency <i>John I McKigney</i>	176
Promoting Household Gardens for Nutrition Improvement <i>Samson CS Tsou, et al.</i>	179
Dietary and Household Economics Approaches to Prevent Xerophthalmia <i>Djoko Susanto, et al.</i>	186
Highlight of Current Studies : Considerations for Program Inter- vention <i>Muhilal and Darwin Karyadi</i>	191
Nutritional Blindness in Bangladesh : Epidemiological Considera- tions <i>Nicholas Cohen, et al.</i>	196
Infection and Vitamin A Nutrition <i>Vinodini Reddy</i>	202

Pilot MSG Fortification for the Control of Vitamin A Deficiency in the Philippines	205
<i>Florentino S Solon, et al.</i>	
 NUTRITION TEACHING AND TRAINING IN ASIA	
An Overview on Staff Training and Institutional Strengthening	210
<i>Joseph GAJ Hautvast</i>	
Description of Master Degree in Community Nutrition, University of Queensland, Australia	214
<i>Margaret Gilliland</i>	
Nutrition Teaching and Training in Thailand	217
<i>Sakorn Dhanamitta, et al.</i>	
Nutrition Training in the Philippines	222
<i>Josefa S Eusebio</i>	
The United Nations University (UNU), Nutrition Center of the Philippines (NCP) International Training Program	227
<i>Salome P Dominguez and Florentino S Solon</i>	
Nutrition Orientation of Strategic Personnel	232
<i>M Mohanram and V Ramadasmurthy</i>	
Regional Nutrition Teaching and Training in Indonesia	239
<i>Achmad Djaeni Sediaoetama</i>	
International Education in Nutrition : the Belgian Contribution From 1970 On	244
<i>HK Henderickx and AM Remaut-De Winter</i>	
 NUTRITION CONSEQUENCES OF DEVELOPMENT PROGRAM	
Development and Deprivation : the Indian Experience	248
<i>C Gopalan</i>	
Nutrition Consequences of Developmental Program in Thailand	260
<i>Amorn Nondasuta, et al.</i>	
A Framework for the Study of Socioeconomic Development and Child Nutrition in Developing Countries	267
<i>Lincoln C Chen</i>	
Nutrition and the Political Economy of Market Controls	273
<i>Mahar Mangahas</i>	
Nutritional Consequences in "Growth with Equity and Participation" Approaches : the Indonesian Experience	276
<i>Sajogyo</i>	
Nutritional Consequences of Development	282
<i>UM Malla</i>	

NUTRITION MANAGEMENT IN SPECIALIZED PEDIATRIC CONDITION

Infant Feeding during Illness with Particular Consideration of Disturbances in Carbohydrate Metabolism <i>Ettore Rossi and Michael J Lentze</i>	288
Feeding for Premature Babies <i>Jacques Senterre</i>	295
Nutritional Management in Infants and Young Children with Chronic Diarrhea <i>Phienvit Tantibhedhyangkul</i>	301
GOITER	
Overview on Control of Iodine Deficiency in Southeast Asia <i>Basil S Hetzel</i>	307
Control of Iodine Deficiency Disorders in China <i>T Ma, et al.</i>	313
Iodine Deficiency in Indonesia : Reassessment of Its Control Programs <i>Robert Djokomoeljanto</i>	318
Endemic Goiter and Endemic Cretins in Thailand : A Review of Experiences with Experiments of Its Control <i>Romsai Suwanik, et al.</i>	325
Thyroid Status among Newborns from Iodine Deficient Environments in India <i>N Kochupillai, et al.</i>	329
SUPPLEMENTARY FEEDING	
Home and Village Prepared Supplementary Food Practices in Asia <i>Aree Valyasevi, et al.</i>	335
A Case Study : Village Food Production and Distribution (Thailand) <i>Sakorn Dhanamitta, et al.</i>	339
AMINO ACID METABOLISM AND MEDICAL APPLICATION	
Amino Acid Metabolism and Its Nutritional Significance <i>Harry P Broquist</i>	350
Enteral Administration of Amino Acids in Clinical Nutrition <i>Yasumi Yugari, et al.</i>	355
Screening and Treatment of Inherited Metabolic Disorders as Part of Preventive Medicine <i>Ursula Wachtel</i>	364

NUTRITION SURVEILLANCE FOR ASIAN COUNTRIES

- Using Nutritional Surveillance : More Will to Act, or Better Information and Policy Analysis ?** 370
JB Mason, et al.
- Nutritional Health Surveillance in the Philippines Lessons Learned** 376
Miguel D Lopez, et al.
- Recent Findings on Nutritional Status : Its Socioeconomic Determinants and Food Consumption Patterns in Sri Lanka** 381
Raja VHE Amereskere
- Nutrition Surveillance in Papua New Guinea : The 1983/84 National Nutrition Survey** 387
Peter F Heywood and Nicola Singleton
- Utilization of Height Measurements of Grade I School Children in the Philippine Nutritional Surveillance** 391
Myra P Bondad, et al.
- Early Warning Information and Intervention System (EWIIS) : A Formulation Process toward the Local System** 398
Darwin Karyodi, et al.
- On Nutritional Surveillance in Bangladesh** 403
K Ahmad and N Hassan
- Nutrition Surveillance for Policy and Planning in Indonesia** 411
Soekirman
- Nutritional Surveillance and Related Activities in the S.R. of Vietnam** 415
Tu Giay and Ha Huy Khoi

RECENT KNOWLEDGE IN NUTRITION AND DIABETES MELLITUS

- Dietary Factors in the Etiology of Diabetes Mellitus** 418
Paul Z Zimmet and Hilary OM King
- Nutritional Considerations in the Management of Diabetes Mellitus in Children** 423
Robert Kaye
- Nutritional Management of Non-Insulin Dependent Diabetes Mellitus** 430
Mark L Wahlqvist

ADAPTATION PROCESS IN NUTRITION AND INFECTION

- General Aspects of the Interrelationship between Nutrition and Infection** 436
Panata Migasena

Muscle Protein Turnover in Malnutrition	442
<i>JC Waterlow</i>	
Infection, Immunization and Nutrition in Undernourished Children	447
<i>Ousa Thanangkul, et al.</i>	
Proteinase Inhibitors as Regulating Factors in Clinical Protein-Energy Malnutrition and Marginal Nutritional Intake	455
<i>Frank P Schelp</i>	
 LEGUME IN HUMAN NUTRITION	
Appropriate Technology in Soybean Utilization : Its Prospect for Nutritional Improvement Program	461
<i>FG Winarno and Deddy Muchtadi</i>	
 DIETARY FIBER IN HEALTH AND DISEASES	
Dietary Fibers in Human Nutrition : An Overview	468
<i>Claus Leitzmann</i>	
Food Sources and Analysis of Dietary Fiber	472
<i>Robert Van Reen and Wai-Kit Nip</i>	
Dietary Fibers and Lipid Metabolism	478
<i>A Stewart Truswell</i>	
The Influence of Dietary Fiber on Intestinal Absorption and Diarrhea	488
<i>VI Mathan</i>	
 RECENT STUDIES OF THE FUNCTIONAL CONSEQUENCES OF IRON DEFICIENCY	
Iron Supplementation in Nursing Students : Its Effects on Iron Status and Cell-Mediated Immune Response	494
<i>Winai Dahlan, et al.</i>	
Effects of Iron Supplementation on Iron Status and Work Performance in Thai Adult Females : Preliminary Report	497
<i>Vichai Tanphaichitr, et al.</i>	
 IRON DEFICIENCY ANEMIA	
Prevalence of Nutritional Anemia	499
<i>Rodolfo F Florentino and Miriam D Kuizon</i>	
Delivery System for Iron Supplementation in the Context of Primary Health Care	505
<i>Aree Valyasevi, et al.</i>	
Iron Absorption and Iron Fortification of Foods	508
<i>Leif Hallberg</i>	

Nutritional Effect of Iron Supplementation for Preschool Children <i>Ju Jin Soon</i>	514
Development of Salt Fortification Program to Prevent Iron Deficiency Anemia in India <i>BS Narasinga Rao</i>	520
Iron Fortification of Fish Sauce in Thailand <i>Pricha Charoenlarp</i>	527
REPORT OF CURRENT NUTRITION ACTIVITIES IN ASIA	
The Need for Nutrition Activities in a Comprehensive Program <i>Toshio Oiso</i>	531
Malnutrition in the Rural Kampongs and Approaches for Its Reduction <i>YH Chong</i>	535
Current Nutrition Activities in Thailand <i>Anothai Jatanasen and Puangtong Tantiwongse</i>	543
Nutrition Status in the Arabian Gulf Countries <i>Abdulrahman Obaid Musaiger</i>	549
Current Nutrition Activities in the Philippines <i>Delfina B Aguillon and Myra P Bondad</i>	555
Current Nutrition Activities in Korea <i>Ki Yull Lee</i>	560
Determinants of Preschool Children Nutritional Status in Indonesia : I. Impact of Breastfeeding and Duration of Breastfeeding <i>Ignatius Tarwatjo, et al.</i>	563
