Preface	v
Antibacterial Chemotherapy	
1. The Sulfonamides	1
2. The Penicillin Group	10
3. Erythromycin and Penicillin Substitutes	21
4. The Tetracyclines and other Broad-Spectrum Antibiotics	26
5. The Streptomycin Group: Antituberculosis and Antileprosy Drugs	32
6. Polypeptide Antibiotics	44
7. Other Antibacterials	48
Antifungal Agents	
8. Antifungal Agents	52
Antiprotozoal Chemotherapy	
9. Antimalarial Agents	58
10. Amebicides and Other Antiprotozoals	66
Antimetazoal Agents	
11. Anthelmintics and Other Agents for Metazoal Diseases	80
12. Insecticides, Repellents, and Rodenticides	94
Cancer and Virus Chemotherapy	
13. Cancer Chemotherapy	104
14. Virus Chemotherapy	119
Topical Agents	
15. Topical Antiinfectives	125
16. Local Irritants, Protectives, and Cosmetics	141
Antidotes	
17. Antidotes	154

Cardiovascular Agents

18. Cardiac Glycosides	164
19. Quinidine and Antiarrhythmia Agents	172
20. Diuretics and Renal Tubule Inhibitors	177
21. Fluids: Blood, Substitutes, Electrolytes	196
22. Agents in Atherosclerosis	206
23. Hypotensive Agents	217

Smooth Muscle Agents

24. Smooth Muscle Relaxants	233
25. Smooth Muscle Stimulants	244

Agents Affecting the Blood

26. Agents in Anemia	259
27. Anticoagulants and Coagulants	269

Alimentary Tract Agents

28. Drugs Used in the Alimentary Tract	283
--	-----

Diagnostic Agents

29. Diagnostic Agents	297
-----------------------------	-----

Immunological Agents

30. Agents for Immunity and Immunologic Disease	308
---	-----

Hormones

31. Anterior Pituitary Hormones and Related Agents	326
32. Adrenal Cortical Hormones	334
33. Thyroid Hormones and Related Compounds	350
34. Female Sex Hormones	357
35. Androgens and Anabolic Agents	375
36. Agents in Diabetes Mellitus	384
37. Parathyroid Hormone and Calcium Metabolism	393

Nutritional Factors

38. The Vitamins	401
39. Agents in Nutrition	414

Autonomic Nervous System Agents

40. Sympathetic Stimulants or Adrenergic Agents	418
41. Sympathetic Depressants or Adrenolytic Agents	436
42. Parasympathetic Stimulants or Cholinergic Agents	443
43. Parasympathetic Depressants or Anticholinergic Agents	452

Ganglionic and Myoneural Agents

44. Ganglionic and Myoneural Agents	471
45. Muscle Relaxants	485

Anesthetics

46. General Anesthetics and Therapeutic Cases	490
47. Local Anesthetics	507

Analgesics

48. Nonnarcotic Analgesics	516
49. Narcotic Analgesics	529
50. Antitussives	544

Sedatives and Related Agents

51. Sedatives and Hypnotics	549
52. Anticonvulsants	563
53. Tranquilizers	570

Stimulants and Addicting Agents

54. Stimulants	590
55. Addicting and Hallucinogenic Drugs	608
Index	623
