**Preface**   vii

**I. COMMON DERMATOLOGIC DISEASES: DIAGNOSIS  
AND THERAPY**

- 1. Acne**   3
- 2. Alopecia Areata**   17
- 3. Aphthous Stomatitis (Canker Sores)**   21
- 4. Bacterial Skin Infections**   25
- 5. Bites and Stings (Spiders, Snakes, Insects)**   32
- 6. Burns**   41
- 7. Corns and Calluses**   46
- 8. Dermatitis (Eczema)**   50
- Atopic Dermatitis*   51

- Circumscribed Neurodermatitis*  
(*Lichen Simplex Chronicus*) 55
- Contact Dermatitis* 57
- Hand Dermatitis* 63
- Nummular Dermatitis* 64
- 9. Diaper Rash 66**
- 10. Drug Eruptions, Allergic 70**
- 11. Dry Skin (Chapping, Xerosis) and Ichthyosis Vulgaris 74**
- 12. Erythema Multiforme 79**
- 13. Erythema Nodosum 83**
- 14. Fungal Infections 86**
- Candidiasis* 86
- Dermatophyte Infections* 91
- Tinea Versicolor* 99
- 15. Herpes Simplex 103**
- 16. Herpes Zoster and Varicella 111**
- 17. Hyperpigmentation and Hypopigmentation 118**
- 18. Infestations: Pediculosis, Scabies, and Ticks 127**
- 19. Intertrigo 136**
- 20. Keloids and Hypertrophic Scars 139**
- 21. Keratoses 143**
- 22. Milia 149**
- 23. Molluscum Contagiosum 151**
- 24. Pityriasis Rosea 154**
- 25. Psoriasis 157**
- 26. Rosacea and Periorificial (Perioral) Dermatitis 168**
- 27. Seborrheic Dermatitis and Dandruff 172**
- 28. Sexually Transmitted Disorders 176**
- Nongonococcal Urethritis* 177

- Gonorrhea* 178  
*Candida albicans Infection* 181  
*Trichomoniasis* 182  
*Warts and Condyloma Acuminata* 183  
*Herpes Simplex* 183  
*Pediculosis Pubis* 183  
*Scabies* 183  
*Syphilis* 183  
*Molluscum Contagiosum* 186  
*Lymphogranuloma Venereum* 186  
*Chancroid* 187  
*Granuloma Inguinale* 189  
*Other Diseases* 190
29. **Skin Tags** 191
30. **Sun Reactions and Sun Protection** 193
31. **Urticaria** 199
32. **Vascular Neoplasms** 204
33. **Warts** 211

## COLOR ILLUSTRATIONS

## II. PROCEDURES AND TECHNIQUES

34. **Operative Procedures** 223
- Biopsy* 223  
*Curettage* 228  
*Electrosurgery* 230  
*Cryosurgery* 233
35. **Diagnostic and Therapeutic Techniques** 237
- Cytologic Smears* 237  
*Fungal Scraping and Culture* 238  
*Wood's Light Examination* 241

*Patch Testing* 243

*Ultraviolet Light Therapy* 245

### III. TREATMENT PRINCIPLES AND FORMULARY

#### 36. Treatment Principles 253

*Dermatologic Prescriptions and Drug Costs* 253

*Types of Topical Medications* 255

*Amount to Dispense* 257

#### 37. Formulary 258

*Acne Preparations* 259

*Anesthetics for Topical Administration* 263

*Antihistamines* 266

*Anti-infective Agents* 272

*Anti-inflammatory Agents* 293

*Antiperspirants and Medications Used in the  
Treatment of Hyperhidrosis* 303

*Antipruritic Agents* 306

*Cleansing Agents* 310

*Cosmetics and Covering Agents* 311

*Depilatories and Removal of Excessive Hair* 312

*Dermatologic Topical Preparations and Vehicles* 314

*Insect Repellents* 319

*Keratolytic and Destructive Agents* 319

*Pigmenting and Depigmenting Agents, Sunscreens* 326

*Wet Dressings, Baths, Astringents* 330

#### General References 335

#### Index 337

#### Charts 377

1. *Amount of Topical Medication Needed for Single or Multiple Application(s)*
2. *Metric Measures with Approximate Equivalents*
