

CONTENTS

1. Historical Development of Vascular Access Procedures <i>H. Earl Gordon, M.D.</i>	1
2. Vascular Access for Total Parenteral Nutrition. <i>Bruce E. Stabile, M.D.</i>	5
Peripheral Venous TPN	7
Central Venous TPN	8
Team Approach to TPN	9
TPN Catheters	9
TPN via Arteriovenous Fistula	46
Summary and Conclusions	47
3. Vascular Access for Cancer Chemotherapy, Chronic Intravenous Medication and Plasmapheresis. <i>Russell A. Williams, M.B., F.R.C.S.</i>	53
Cancer Chemotherapy	53
Chronic Intravenous Medication	56
Plasmapheresis	57
4. Hepatic Artery Access for Liver Chemotherapy Perfusion. <i>Edward Passaro, Jr., M.D.</i>	67
Anatomy of Hepatic Artery	67
Techniques of Hepatic Artery Cannulation	70
Indications and Evaluation for Hepatic Artery Perfusion	78
Results of Treatment	80
5. Vascular Access for Isolation Perfusion in Treatment of Malignancies. <i>Donald E. Wagner, M.D.</i>	83
Indications	84
Technique	85
Results	94
Summary	97
6. Physiology of Arteriovenous Fistulas. <i>Milton L. Owens, M.D., and Robert W. Bower, Ph.D.</i>	101
Local Characteristics	101
Systemic Alterations	111

7. Anesthesia for Vascular Access Surgery in Renal Failure.	
<i>Evan Krantz, M.D.</i>	115
Preoperative Preparation	115
General Anesthesia Management	119
Local Infiltration Anesthesia	122
Regional Anesthesia	122
8. Construction and Care of External Arteriovenous Shunts.	
<i>Robert S. Ozeran, M.D.</i>	129
Components of External A-V Shunt	129
Techniques of Placement	130
Quinton-Dillard-Scribner Shunt	138
Specialized External Shunts. Milton L. Owens, M.D.	138
Allen-Brown Shunt	138
Buselmeier Shunt	138
Thomas Femoral Shunt	139
9. Arteriovenous Fistulas by Direct Anastomosis. <i>O. N. Fernando,</i> <i>F.R.C.S., F.R.C.S.E.</i>	143
Indications	143
Anatomy	144
Anesthesia	144
Preparation	144
Technique	145
10. Vascular Grafts (Bridge Fistulas) for Hemodialysis. <i>Milton L.</i> <i>Owens, M.D., Samuel E. Wilson, M.D., and Robert</i> <i>S. Ozeran, M.D.</i>	157
Site	157
Graft Materials	158
Size of Graft	159
Precautions	159
Femorosaphenous and Femorofemoral Shunts	160
Brachial-Axillary Fistula (Technique of Robert Ozeran).	162
Radiocephalic and Brachiobasilic Prosthetic Bridge Fistulas (Technique of S.E. Wilson).	166
11. Unusual Access Procedures for Chronic Hemodialysis.	
<i>Hugh H. Trout, III, M.D.</i>	173
Preoperative Considerations	174
12. Complications of Vascular Access Procedures.	
<i>Samuel E. Wilson, M.D.</i>	185
Thrombosis	185
Infection	191

Hemodynamic Complications	196
Vascular Insufficiency	198
Venous Hypertension	200
Vascular Access Neuropathy	201
Aneurysms	203
13. Radiologic Diagnosis in Surgical Management of Vascular Access Fistulas. <i>Charles B. Anderson, M.D.</i>	209
Technique	210
Normal Fistulogram	216
Review of Clinical Experience	220
Representative Case Material	228
14. Care and Use of Vascular Access for Hemodialysis. <i>Barbara J. Behnke, R.N., B.S.N., and Charlene Chenault, R.N., B.S.N., C.H.N.</i>	241
External Arteriovenous Shunt	241
Internal Fistula	251
15. Emergency Vascular Access for Hemodialysis. <i>Jerry Grodstein, M.D., and Jeffrey Kraut, M.D.</i>	261
Indications for Dialysis	261
Techniques of Vascular Access for Acute Hemodialysis	264
16. Vascular Access in Pediatric Patients. <i>Michael E. Matlak, M.D.</i>	273
Vascular Access for Total Parenteral Nutrition	273
Vascular Access for Hemodialysis	282
Vascular Access for Chemotherapy	287
17. Infection and Antimicrobial Therapy in Chronic Renal Failure. <i>Ronald W. Busuttill, M.D., and Robin K. Davidson, M.S.</i> 293	293
Altered Host Defenses in Uremia	294
Pharmacology of Antibiotics	296
Nephrotoxicity of Antimicrobial Agents	308
Guide to Antibiotic Therapy in Uremia	316
18. Neurologic Complications of Renal Failure, Dialysis and Renal Transplantation. <i>Steven L. Giannotta, M.D., and Jane Harder, M.D.</i>	321
Complications of Uremia	321
Complications of Dialysis	327
Complications of Transplantation	329
Conclusion	332

19. Vascular Access in a Transplant and Dialysis Program: Results, Costs and Manpower Implications.	
<i>Stanley R. Mandel, M.D.</i>337
Patient Population and Results337
Cost, Income and Manpower Expenditures339
Glossary of Commonly Used Terms345
Index347
