
Contents

Section One	
THE PRINCIPLES OF IMMUNOLOGY	1
Chapter 1	
Introduction to Immunology.....	1
<i>Joseph A. Bellanti, M.D., and Josef V. Kadlec, S.J., M.D.</i>	
Chapter 2	
General Immunobiology.....	16
<i>Joseph A. Bellanti, M.D., and Josef V. Kadlec, S.J., M.D.</i>	
Chapter 3	
Immunogenetics.....	54
<i>James N. Woody, M.D., Joseph A. Bellanti, M.D., and Kenneth W. Sell, M.D.</i>	
Chapter 4	
Antigens and Immunogenicity	79
<i>Anne L. Jackson, Ph.D.</i>	
Chapter 5	
Antibody and Immunoglobulins: Structure and Function.....	89
<i>George M. Bernier, M.D.</i>	
Chapter 6	
The Complement System.....	106
<i>Steven L. Kunkel, Ph.D., Peter A. Ward, M.D., Lynn H. Caporale, Ph.D., and Carl-Wilhelm Vogel, M.D.</i>	
Chapter 7	
Immunophysiology: Cell Function and Cellular Interactions in Antibody Formation	117
<i>Herbert B. Herscovitz, Ph.D.</i>	
Chapter 8	
Antigen-Antibody Interactions.....	160
<i>Chester M. Zmijewski, Ph.D., and Joseph A. Bellanti, M.D.</i>	
Chapter 9	
Cell-Mediated Immune Reactions	176
<i>Joseph A. Bellanti, M.D., and Ross E. Rocklin, M.D.</i>	

Chapter 10	
Immunomodulation: Immunopotential, Tolerance, and Immunosuppression	189
<i>Paul Katz, M.D.</i>	
Chapter 11	
A Unifying Model for Immunologic Processes	197
<i>Joseph A. Bellanti, M.D.</i>	
Section Two	
MECHANISMS OF RESPONSE	208
Part I	
Mechanisms of Tissue Injury	208
Chapter 12	
Inflammation	208
<i>Peter A. Ward, M.D.</i>	
Chapter 13	
Mechanisms of Tissue Injury Produced by Immunologic Reactions	218
<i>Peter M. Henson, Ph.D., B.V.M.&S., M.R.C.V.S</i>	
Part II	
Protective Mechanisms Involved in the Immune Response to Infectious Agents	261
Chapter 14	
Host-Parasite Relationships.....	261
<i>Joseph A. Bellanti, M.D.</i>	
Chapter 15	
Mechanisms of Immunity to Bacterial Diseases	272
<i>Joseph A. Bellanti, M.D.</i>	
Chapter 16	
Mechanisms of Immunity to Viral Diseases.....	283
<i>Joseph A. Bellanti, M.D.</i>	
Chapter 17	
Mechanisms of Immunity to Parasitic Diseases	306
<i>Raymond H. Cypess, D.V.M., Ph.D.</i>	
Chapter 18	
Mechanisms of Immunity to Fungal Diseases.....	323
<i>Joseph A. Bellanti, M.D., and John P. Utz, M.D.</i>	
Chapter 19	
Immune Defense Mechanisms in Tumor Immunity.....	330
<i>Ronald B. Herberman, M.D., and Joseph A. Bellanti, M.D.</i>	

Section Three	
CLINICAL APPLICATIONS OF IMMUNOLOGY	346
Chapter 20	
Immunologically Mediated Diseases	346
<i>Joseph A. Bellanti, M.D.</i>	
A. Immunologically Mediated Disease Involving Exogenous Antigens (Allergy).....	349
<i>Robert T. Scanlon, M.D., and Joseph A. Bellanti, M.D.</i>	
B. Immunologically Mediated Disease Involving Allogeneic Antigens	390
<i>Chester M. Zmijewski, Ph.D.</i>	
Organ Transplantation	396
<i>Michael C. Gelfand, M.D.</i>	
C. Immunologically Mediated Disease Involving Autologous Antigens	409
<i>Joseph A. Bellanti, M.D., John J. Calabro, M.D., and Michael C. Gelfand, M.D.</i>	
Chapter 21	
Neoplasms of the Immune System	447
A. Monoclonal Gammopathies	
<i>George M. Bernier, M.D.</i>	
B. Lymphomas and Leukemias.....	460
<i>Jeffrey Cossman, M.D.</i>	
Chapter 22	
Immune Deficiency Disorders.....	471
<i>Joseph A. Church, M.D., and Robert J. Schlegel, M.D.</i>	
Chapter 23	
Immunoprophylaxis: The Use of Vaccines	508
<i>Joseph A. Bellanti, M.D., and John B. Robbins, M.D.</i>	
Chapter 24	
Immunotherapy: The Use of Passive Immunization.....	533
<i>Joseph A. Bellanti, M.D., and John B. Robbins, M.D.</i>	
Chapter 25	
Clinical Aspects of Immunosuppression: Use of Cytotoxic Agents and Corticosteroids.....	546
<i>Anthony S. Fauci, M.D.</i>	
Chapter 26	
Diagnostic Applications of Immunology	558
<i>Joseph A. Bellanti, M.D., and Stephen M. Peters, Ph.D.</i>	
Approach to the Patient with Immunologic Disease	571
Appendix 1	
Problem: Repeated Infections in the Young Infant	571
Appendix 2	
Problem: Repeated Infections in the Adult Patient.....	574
Appendix 3	
Problem: Approach to Patient with "Allergic" (Hypersensitivity) Disease.....	576

Appendix 4	
Problem: Approach to Immunologic Disease in the Newborn (Isoimmunization and Immunologic Problems in the Mother Affecting the Infant)	578
Appendix 5	
Problem: Approach to Patient with Musculoskeletal ("Autoimmune") Disorders	580
Appendix 6	
Problem: Use of Immunology in Diagnosis of Infectious Diseases	582
Index	585
