

## TABLE OF CONTENTS

INTRODUCTION . . . . .	5
DEVELOPMENTS IN ENDOCRINOLOGY 1940-50 . . . . .	6
THE PITUITARY . . . . .	17
Anterior Lobe . . . . .	17
The Adrenocorticotrophic Hormone (ACTH) . . . . .	17
Metabolic Effects . . . . .	17
Clinical Applications . . . . .	40
Rheumatoid Arthritis and Acute Rheumatic Fever . . . . .	41
Allergic and Pulmonary Diseases . . . . .	58
Pathologic Conditions in the Eye . . . . .	67
Leukemia and Cancer . . . . .	71
Nervous and Mental Diseases . . . . .	78
Gastrointestinal Tract . . . . .	83
Miscellaneous Conditions . . . . .	87
Cushing's Syndrome . . . . .	99
Growth Hormone . . . . .	101
Hypopituitarism . . . . .	117
Posterior Lobe . . . . .	127
THE THYROID . . . . .	130
Physiology . . . . .	132
Hypothyroidism . . . . .	153
Hyperthyroidism . . . . .	162
Radioactive Iodine . . . . .	162
Antithyroid Drugs . . . . .	169
Exophthalmos . . . . .	174
Cancer . . . . .	177
Miscellaneous Conditions . . . . .	193
THE PARATHYROIDS . . . . .	197
Hypoparathyroidism . . . . .	198
Hyperparathyroidism . . . . .	202

THE ADRENALS . . . . .	211
Cortex . . . . .	211
Physiology . . . . .	212
Cortisone . . . . .	243
Hypoadrenalism . . . . .	269
Androgens and Tumors . . . . .	289
The Medulla . . . . .	304
THE TESTES . . . . .	313
Physiology . . . . .	314
Hypogonadism and Infertility . . . . .	325
Tumors of the Testis . . . . .	343
Hormones in the Treatment of Cancer . . . . .	346
THE OVARIES . . . . .	351
Hormonal Factors Involved in Normal and Abnormal Menstruation . . . . .	351
Pregnancy and Infertility . . . . .	377
Ovarian Tumors . . . . .	392
Hormonal Treatment of Cancer of the Breast . . . . .	395
DIABETES MELLITUS . . . . .	400
Physiology and Biochemistry . . . . .	402
Pathology . . . . .	423
Treatment . . . . .	431
Complications . . . . .	444
POTASSIUM METABOLISM . . . . .	453
MISCELLANEOUS . . . . .	472

## PUBLISHER'S NOTE

The dates appearing under the title of this YEAR BOOK indicate that journals received within that period have been reviewed by the editor in selecting the articles abstracted herein.
