Opening address by H.E. Dr. Sombun Phong-Aksara, Deputy Minister of Public Health of Thailand	i
Address by Professor Jajaval Osathanondh, Rector of Mahidol University	iii
Address by Professor Chamlong Harinasuta, Dean, Faculty of Tropical Medicine; Secretary-General, Central Coordinating Board SEAMEO Regional Tropical Medicine and Public Health Project.....	iv
Organizing Committee for the Seminar	vi
List of Delegates, Participants, and Institutions represented.....	viii
Programme.....	xvi
Review Papers and Discussions	
Chemotherapy of amoebiasis..... DANAI BUNNAG and PRAVAN SUNTHARASAMAI	1
Chemotherapy of intestinal nematode infections in man..... H.C. HSIEH	12
Chemotherapy of malaria..... TAN CHONGSUPHAJASIDDHI and TRANAKCHIT HARINASUTA	53
Chemotherapy of trematode infections excluding schistosomiasis.... HAN-JONG RIM	67
Chemotherapy of schistosomiasis japonicum ALFREDO T. SANTOS	77
Chemotherapy of cestode infections DÔ THI NHUAN	87
Chemotherapy of salmonellosis and shigellosis in the Philippines..... V. BASACA-SEVILLA	92
Chemotherapy of viral and rickettsial diseases..... B. BISSERU	103
Chemotherapy of leprosy..... WONG MOOK OW	113
Therapeutic drugs on mycoses..... S.D. SOEPRIHATIN	117
Clinical experience with trimethoprim and sulfamethoxazole with special reference to its use in 867 children..... M. FERNEX and L. HAVAS	129
Abstracts of Free Papers and Discussions	
Oral dehydroemetine treatment in amoebic dysentery..... BINTARI RUKMONO and SITI ALISAH NAOEMAR	149
Clinical trial of oral dehydroemetine in the treatment of intestinal amoebiasis in children..... SRI ROCHANI SUDJARWO, HARRY HARDJATNO and SUHARJONO	150
Treatment of hepatic amoebiasis with chloroquine and dehydroemetine..... A. SULAIMAN, ROBERT T.L. PANG and M. SJAIFULLAH NOER	152
Clinical trial of "R07-0207" against <i>Entamoeba histolytica</i> infections KEE-MOK CHO and CHIN-THACK SOH	154

	Page
Toxicological and pharmacological relations between levamisole, parantel and diethyl-carbamazine and their significance in helminth chemotherapy..... L.S. FORBES	155
Anthelmintic effect of Combantrin (pyrantel pamoate) against intestinal nematodes in Korea.....HAN-JONG RIM, JUNG-KYOO LIM and BYONG - SEOL SEO	158
Combantrin (pyrantel embonate) in roundworm and threadworm infestation in children..... HARISH CHANDRA, JAVEED AKHTER and Y.C. MATHUR	160
The clinical efficiency of pyrantel pamoate (Combantrin) in the treatment of ascariasisPEDRO P. CHANCO JR., EUSEBIO CABE JR. and MA. JULIETA Y. VIDAD	161
Effects of the broad spectrum anthelmintic pyrantel pamoate against intestinal parasitic diseases..... SHIGEO IWATA and TSUNEJI ARAKI	162
Pyrantel pamoate (Combantrin - Pfizer) for the treatment of human infections with <i>A. lumbricoides</i> , <i>E. vermicularis</i> , Hookworm and <i>T. trichiura</i> B. BISSERU	164
Transient psychosis from tetrachlorethylene..... NIBHA JARÖONVESAMA, TRANAKCHIT HARINASUTA and DANAI BUNNAG	165
Treatment of hookworm infection with extract of <i>Diospyros mollis</i> berries..... SRICHAROEN MIGASENA, PRAVAN SUNTHARASAMAI, SASITHORN INKATANUVAT, DUANGRUDEE CHINDANOND and TRANAKCHIT HARINASUTA	166
Ancylostomiasis : Experimental investigation into chemotherapy and chemoprophylaxis with Jonit..... D. DÜWEL	167
A single dose of phenylene-di-iso-thiocyanate (1, 4) Jonit in the treatment of adult patients with hookworm infection in Sawan-Pracharak Hospital, Thailand SOOKKASEM CHITRATHORN, MALEE ACALABOL, MALINEE THONGKONG and CHAMNONG KAMOLSIN	168
A single dose of Bitoscanate (Jonit) in treatment of human ancylostomiasis.. J. HOLZ	169
Hookworm egg out-put in patients three years after treatment with Jonit..... DANAI BUNNAG, TRANAKCHIT HARINASUTA and PAISAL IMPAND	170
Clinical trial of different dosages of Sulformethoxine and Pyrimethamine in falciparum malaria.....TRANAKCHIT HARINASUTA, PAYOM BURANASIN, CHAISIN VIRAVAN, SIRIVAN TEJAVANIJ and DUANGRUDEE CHINDANOND	171
Anti-inflammatory drugs as adjuvant to sulformethoxine and pyrimethamine in the treatment of falciparum malaria..... TRANAKCHIT HARINASUTA, CHAISIN VIRAVAN, PAYOM BURANASIN, SAMNIENG SETTACHAN and SAMNIENG VUTIKES	173
The haemolytic effect of a single dose of 45 mg of primaquine in G-6-PD deficient Thais..... PRICHA CHAROEN-LARP, SUVIT AREEKUL, TRANAKCHIT HARINASUTA and PAJA SIRIVORASARN	175
Experience in malaria, chemoprophylaxis and chemotherapy with special reference to Sulformethoxine-Pyrimethamine 'Fansidar'..... D.R. O'HOLAHAN and J. HUGOE-MATTHEWS	176

	Page
Treatment and suppression of malaria with combined folic inhibitors (pyrimethamine with sulfamethoxine or sulfamonomethoxine) in Laos.....	
..... ISAO EBISAWA, TATSUKICHI MUTO and GENZO MITSUI	177
The effect of 4-methoxy-6-sulfanilamido-pyrimidine monohydrate (sulfamonomethoxine: DJ-1550) on both chloroquine sensitive and resistant <i>Plasmodium falciparum</i> and <i>Plasmodium vivax</i> infections	
..... OSCAR L. RAMOS and B.D. CABRERA	178
A study on the causal prophylactic activity of 4-methoxy-6-sulfanilamido-pyrimidine monohydrate (sulfamonomethoxine : DJ-1550) against malaria infections in Palawan, Philippines.....	
..... B.D. CABRERA and OSCAR L. RAMOS	179
Clinical trial of sulfamonomethoxine in chloroquine-resistant falciparum malaria.	
..... SIRIVAN TEJAVANIJ, TRANAKCHIT HARINASUTA and TAN CHONGSUPHAJAISIDDHI	180
Clinical trial of parenteral sulfamethoxine and pyrimethamine in falciparum malaria	
..... CHAISIN VIRAVAN, TRANAKCHIT HARINASUTA and SIRIVAN TEJAVANIJ	181
Tetracycline and falciparum malaria.....	
..... EDWARD J. COLWELL, ROBERT L. HICKMAN, RAVIVAN INTRAPRASERT and CHALARD TIRABUTANA	182
Therapeutic problems in dealing with Indonesian strains of <i>Plasmodium vivax</i>	
..... HANS R. WOLFENBERGER	183
The use of heparin in pulmonary oedema due to falciparum malaria.....	
..... SOMPONE PUNYAGUPTA and TANOMSRI SRICHAIKUL	184
Yomesan (Bayer 2353) in the treatment of hymenolepiasis nana in Medan.....	
..... JO KIAN TJAI, NOERSIDA RAID and A.H. SUTANTO	185
Clinical trial of drugs in the treatment of <i>Taenia saginata</i> infection.....	
..... ZBIGNIEW S. PAWLOWSKI	186
Structure action relations between drugs used against cestodes and trematodes	
..... L.S. FORBES	187
Clinical trial of niclosamide in fasciolopsiasis buski. ..	
..... PRAVAN SUNTHARASAMAI, DANAI BUNNAG, SIRIVAN TEJAVANIJ, TRANAKCHIT HARINASUTA and SAMNIENG VUTIKES	188
The use of nalidixic acid in salmonellosis and shigellosis.	
..... V. BASACA-SEVILLA, E.G. MANIAGO and ROSALINO REGINO	189
Drug resistance patterns of <i>Shigella</i> isolated in Taiwan during 1970-1971.....	
..... WEN-HSIUNG HSU and YUN-CHUAN TSAN	190
Clinical and laboratory review of shigellosis among Chinese veterans.....	
..... FU-HSIANG TAI	192
Use of "Bactrim" to <i>Salmonella typhi</i> carriers in Korea.....	
..... KEE-MOK CHO, YUNG-KYUM AHN and CHIN-THACK SOH	194
Clinical evaluation of Bactrim and Furazolidone in treatment of shigellosis in children	
..... UDOM LEXOMBOON, PETHAI MANSUWAN, CHIRAPHUN DUANGMANI, PANYASRI BENJADOL and M. TALMAGE M'CINN	196

	Page
✓ Clinical trial with trimethoprim-sulfamethoxazole in typhoid and paratyphoid fever R. JUWONO, EDDY SOEWANDOJO, SOEHART SETOKOESOEMO and SABDOADI	198
Sensitivity tests of enterobacteriaceae in diarrhoeal diseases in Djakarta S. NJOTOSISWOJO, M. LINTONG, U.S. SANTOSA, J. ISWANDIRI and S. KOMALARINI	199
A comparative study of the treatment of acute cholera cases and their contacts..... GEORGE SCHLIE	200
Information gained from the epidemic of cholera in West Africa..... H. FELIX	201
Sensitivity to antibiotics including Bactrim of cholera vibrio strains isolated in Vietnam in recent epidemics VU QUI DAI and DO THI NHUAN	203
Double-blind trial with Fanasil or DDS in leprosy patients in Singapore WONG MOOK OW	205
The flare phenomenon and the use of "Hansolar" (Acedapsone) in the control of leprosy C.R. BOUGHTON	206
El Bactrim en el mal perforante plantar Hanseniano..... G. TARABINI-CASTELLANI	209
Clinical trial of B ₆₆₃ in the treatment of leprosy..... TEERA RAMASOOTTA	210
Clinical trial of thalidomide in the treatment of leprosy reaction ... TEERA RAMASOOTTA	211
Double-blind study of DDS vs fanasil in the treatment of leprosy... TEERA RAMASOOTTA	212
The treatment of vaginitis with a combination of amphotericin-B and tetracycline S.D. SOEPRIHATIN	213
Tolnaftate in the treatment of superficial mycotic infections... TONG-NAN VIBHATA- VANIJA, VICHITR PHANICH, MERANI THIANPRASIT and URAIWAN YONGCHAIYUD	214
Tolnaftate in prophylaxis of Tinea pedis EDGAR B. SMITH	215
Gonorrhoea : Occidental and oriental..... L.S. BERNSTEIN	216
Symptomatic and asymptomatic venereal infections in Taiwan JAMES L. GALE, JONATHAN M. GORDON, WEN-TSUO CHIANG and RAYMOND H. WATTEN	217
Sulfamethoxazole-trimethoprim in the treatment of acute and penicillin-resistant cases of gonorrhoea in women. LUIS MAYO LAO, ROSA GUEVARA, JOSE G. TAMAYO, ERNESTO G. MORENO, RODOLF O. ALMONTE and MA. LUISA MONTES LAO	218
Preliminary clinical experience on the use of Bactrim in Lymphogranuloma inguinale MOCH. IBENI ILIAS, A. SOENDJOJO, NJOMAN WIRJA DUARSA and GOZALI SOEPARLAN	219
Sulfamethoxazole-trimethoprim in the treatment of urinary infections..... LUIS MAYO LAO, JAOQUIN TINIO, BIENVENDIO D. ALORA, TARCILA L. MENDOZA and FLORA SAN PEDRO	220
Clinical and bacteriological study of the efficacy of Panfuran-S (Dehydroxymethyl- furatrizine) in the treatment of diarrhoea due to Gram negative bacilli and Gram- positive cocci..... PEDRO P. CHANCO JR., ROSA GUEVARA, LORETO R. CABATIT and MA. AGNES B. SIMBOL	221

	Page
Suramin in Trypanosomiasis.....S.K.K. SEAH	222
Ethambutol syrup in combination with isoniazid in the treatment of childhood tuberculosis.....	
NUNUNG RAHAJU, NASTITI N. RAHAJU, MARLIANE WIDYA and SUTEDJO	224
The study of the efficacy of oral penicillin V on streptococcal infections of the throat and skin and its role in prophylaxis in children in Singapore.	
..... CHENG HENG KOCK	225
Changes in mental and physical performance in trichinosis patients treated with thiabendazole.....	
DANAI BUNNAG, SIRIVAN TEJAVANIJ, CHAISIN VIRAVAN and TRANAKCHIT HARINASUTA	226
Effects of Bactrim on <i>Pasteurella pestis</i> <i>in vitro</i> and <i>in vivo</i>	
..... NGUYEN VAN AI, NGUYEN DUC HANH and PING-NAN WANG	227
Metronidazole chemotherapy for <i>Giardia lamblia</i> infections.....	
.....NGUYEN VAN AI, LE VAN HOA and TRAN-THI-BACH-YEN	228
Closing address	229
