<i>Chapter 5 Science of Human Behavior: Contributions of the Statistical and Experimental Sciences</i>	76	<i>Chapter 10 Diagnosis and Psychiatry: Examination of the Psychiatric Patient</i>	161
5.1 Epidemiology	76	10.1 Psychiatric Interview	161
5.2 Computers and Psychiatry	78	10.2 Psychiatric History and Mental Status	164
5.3 Experimental Neurosis	81	10.3 Psychological Testing of Intelligence and Personality	166
5.4 Hallucinogens	86	10.4 Psychological Tests for Brain Damage	175
5.5 Sensory Deprivation	89	10.5 Some Instruments Commonly Used by Clinical Psychologists	180
5.6 Normality	93		
5.7 Healthy Psychosexual Functioning	94		

xii Contents

10.6	Social Service Information	183	17.7	Organic Brain Syndromes Associ- ated with Brain Trauma	286
10.7	The Medical Examination in Psy- chiatric Assessment	184	17.8	Organic Brain Syndromes Associ- ated with Drug or Poison Intoxica- tion	290
Chapter 11 Diagnosis and Psychiatry:					
Symptoms of Psychiatric Disorders 186					
11.1	Symptoms of Psychiatric Disorders . .	186	17.9	Organic Brain Syndromes Associ- ated with Infections	296
Chapter 12 Classification in Psychiatry 201					
12.1	Nosology	201	17.10	Organic Brain Syndromes Associ- ated with Intracranial Neoplasms . . .	300
12.2	Comparison of Two Editions of the <i>Diagnostic and Statistical Manual of Mental Disorders: DSM-I and DSM- II</i>	202	17.11	Organic Brain Disorders Associated with Epilepsy	302
12.3	Neurosis, Psychosis, and the Border- line States	215	Chapter 18 Mental Retardation 312		
Chapter 13 Psychotic Disorders:					
Schizophrenia 217					
13.1	Schizophrenia: Introduction and History	217	18.1	Mental Retardation	312
13.2	Schizophrenia: Epidemiology	220	Chapter 19 Neuroses 330		
13.3	Schizophrenia: Etiology	221	19.1	Anxiety Neurosis	330
13.4	Schizophrenia: Clinical Features . . .	228	19.2	Hysterical Neurosis, Conversion Type	336
13.5	Schizophrenia: Psychological Treat- ment	241	19.3	Hysterical Neurosis, Dissociative Type	341
13.6	Schizophrenia: Organic Therapy . . .	246	19.4	Phobic Neurosis	347
Chapter 14 Psychotic Disorders:					
Paranoid States 249					
14.1	Paranoid States	249	19.5	Obsessive-compulsive Neurosis	352
Chapter 15 Psychotic Disorders: Major					
Affective Disorders 253					
15.1	Manic-depressive Illnesses	253	19.6	Depressive Neurosis	358
15.2	Involitional Melancholia	258	19.7	Neurasthenic Neurosis	361
15.3	Some Psychological Test Character- istics of Depression	261	19.8	Depersonalization Neurosis	363
Chapter 16 Other Psychotic Disorders 263					
16.1	Psychotic Depressive Reaction	263	19.9	Hypochondriacal Neurosis	365
16.2	Postpartum Depression	266	Chapter 20 Personality Disorders 368		
Chapter 17 Organic Brain Syndromes 268					
17.1	Introduction	268	20.1	Antisocial Personality	368
17.2	General Description	269	20.2	Other Personality Disorders	370
17.3	Delirium vs. Dementia	270	Chapter 21 Drug Dependence 377		
17.4	Organic Brain Syndromes Associ- ated with Circulatory Disturbances . .	272	21.1	Drug Dependence: Opium, Opium Alkaloids, and Synthetics	377
17.5	Organic Brain Syndromes Associ- ated with Disturbances in Metabo- lism, Growth, and Nutrition	276	21.2	Drug Dependence: Non-narcotic Agents	389
17.6	Organic Brain Syndromes Associated with Diseases of Unknown Cause . . .	282	21.3	Alcoholism and Alcoholic Psychoses .	393
Chapter 22 Normal vs. Abnormal Sexuality 401					
22.1 Introduction to Human Sexuality . . 401					
22.2 Homosexuality 413					
22.3 Other Sexual Deviations 419					
Chapter 23 Transient Situational					
Disturbances 427					
23.1 Adjustment Reaction of Adult Life . 427					
23.2 Traumatic War Neurosis 429					
Chapter 24 Psychophysiological Disorders 431					
24.1 History of Psychophysiological Med- icine 431					

24.2	The Mind-Body Problem.....	432	28.6	Group Psychotherapy.....	518
24.3	Current Concepts in Psychophysiological Medicine.....	433	28.7	Combined Individual and Group Psychotherapy.....	531
24.4	Physiological Concomitants of Emotion.....	435	28.8	Family Therapy.....	532
24.5	Peptic Ulcer (Psychophysiological Gastrointestinal Disorders).....	437	28.9	Co-therapy.....	534
24.6	Intestinal Disorders (Psychophysiological Gastrointestinal Disorders).....	439	28.10	Psychodrama.....	535
24.7	Obesity.....	441	Chapter 29 Organic Therapies.....	539	
24.8	Anorexia Nervosa.....	443	29.1	Tranquilizers.....	539
24.9	Psychophysiological Cardiovascular Disorders.....	444	29.2	Antidepressant Drugs.....	548
24.10	Psychophysiological Respiratory Disorders.....	446	29.3	Sedatives.....	554
24.11	Sexual Potency Disorders (Psychophysiological Genitourinary Disorder).....	448	29.4	Narcotherapy.....	556
24.12	Obstetrical Gynecological and Sexual Disorders.....	454	29.5	Convulsive Therapies.....	558
24.13	Psychophysiological Endocrine Disorders.....	465	29.6	Insulin Coma Treatment.....	561
24.14	Psychophysiological Allergic and Skin Disorders.....	468	29.7	Psychosurgery.....	563
24.15	Rheumatoid Arthritis (Psychophysiological Musculoskeletal Disorder).....	471	29.8	Miscellaneous Organic Therapies... ..	566
24.16	Psychogenic Pain.....	473	Chapter 30 Milieu Therapy.....	568	
24.17	Accident Proneness.....	474	30.1	The Hospital as a Therapeutic Community.....	568
24.18	Headaches.....	475	Chapter 31 Evaluation of Psychiatric Treatment.....	571	
24.19	Treatment of Psychophysiological Disorders.....	476	31.1	Evaluation of Psychiatric Treatment	571
Chapter 25 Other Psychiatric Disorders... ..	479		Chapter 32 Child Psychiatry: Introduction.....	574	
25.1	Unusual Psychiatric Disorders and Atypical Psychoses.....	479	32.1	History of Child Psychiatry.....	574
Chapter 26 Psychiatry and Other Specialties	484		32.2	Normal Child Development.....	575
26.1	Psychiatry and Medicine.....	484	Chapter 33 Child Psychiatry: Assessment.....	584	
26.2	Psychiatry and Surgery.....	487	33.1	Psychiatric Examination.....	584
Chapter 27 Psychiatric Emergencies.....	492		33.2	Neurological Evaluation.....	587
27.1	Suicide.....	492	33.3	Psychological Testing of Children..	589
27.2	Other Psychiatric Emergencies.....	496	33.4	Social Service Information.....	594
Chapter 28 Psychotherapies.....	500		Chapter 34 Child Psychiatry: Adjustment Reactions (Transient Situational Disturbances).....	596	
28.1	Individual Psychotherapy, Psychoanalysis, and Psychoanalytic psychotherapy.....	500	34.1	Adjustment Reactions: Infancy and Childhood.....	596
