Preface	vii	CHAPTER 4	
Acknowledgments	xi	Science of Human Behavior: Contributions of the Sociocultural Sciences	163
CHAPTER 1		4.1 Anthropology	163
Historical and Theoretical Trends in Psychiatry	1	4.2 Sociology	168
1.1 Historical and Theoretical trends in Psychiatry	1	4.3 The Family	173
1.2 General Systems Theory ...	41	CHAPTER 5	
CHAPTER 2		Science of Human Behavior: Quantitative Experimental and Research Methods	187
Science of Human Behavior: Contributions of the Biological Sciences	47	5.1 Epidemiology	187
2.1 Genetics and Psychiatry ...	47	5.2 Computers	194
2.2 Psychopharmacology	56	5.3 Experimental Neurosis ...	199
2.3 Sleep and Dreams	65	5.4 Euphorohallucinogens	208
2.4 Neurochemistry and Behavior: An Overview	75	5.5 Sensory Deprivation	212
2.5 Neurochemistry of Behavior: Recent Advances	77	5.6 Normality	217
2.6 The Brain and Psychiatry ..	83	5.7 Statistics	219
2.7 Chronopsychophysiology ...	97	CHAPTER 6	
2.8 Biochemistry of the Major Psychoses	102	Theories of Personality and Psychopathology: Freudian Schools	227
CHAPTER 3		6.1 Sigmund Freud and Classical Psychoanalysis	227
Science of Human Behavior: Contributions of the Psychological Sciences	110	6.2 Erik Erikson	270
3.1 Cognition and Perception ..	110	CHAPTER 7	
3.2 Learning Theory	120	Theories of Personality and Psychopathology: Cultural and Interpersonal Psychoanalytic Schools	275
3.3 Motivation and Affective Arousal	124	7.1 Alfred Adler	275
3.4 Biological Aspects of Aggressive Behavior	130	7.2 Karen Horney	297
3.5 Collective Aggression	133	7.3 Harry Stack Sullivan	284
3.6 Ethology	134	7.4 Sandor Rado	291
3.7 Communication	146	7.5 Eric Berne	295
3.8 Applications of Learning and Biofeedback	155	CHAPTER 8	
		Theories of Personality and Psychopathology: Other Psychoanalytic and Related Schools	299
		8.1 Adolf Meyer	299

xvi Contents

8.2	Carl Jung	302	14.3	Schizophrenia: Etiology	426
8.3	Otto Rank	306	14.4	Schizophrenia: Clinical Features	436
8.4	Melanie Klein	309	14.5	Schizophrenia: Overview of Treatment Methods	458
8.5	Wilhelm Reich	313	14.6	Schizophrenia: Psychological Treatment	466
8.6	Biodynamics	315	14.7	Schizophrenia: Evaluation of Treatment Methods	474
8.7	Existential Psychoanalysis	318	14.8	Schizophrenia: Recent Trends	482
CHAPTER 9					
Theories of Personality and Psychopathology: Schools Derived from Psychology 323					
9.1	Personality Theory Derived from Quantitative Experiment	323	CHAPTER 15		
9.2	Other Psychological Personality Theories	328	Paranoid States 487		
CHAPTER 10					
Application of Psychoanalytic Theory to Philosophy 340					
10.1	Herbert Marcuse	340	CHAPTER 16		
10.2	Norman O. Brown	341	Major Affective Disorders 494		
CHAPTER 11					
Diagnosis: Examination of the Psychiatric Patient 343					
11.1	Psychiatric Interview	343	16.1	Overview of Depression	494
11.2	Psychiatric History and Mental Status Examination	347	16.2	Manic-Depressive Illness	498
11.3	Psychiatric Report	353	16.3	Involuntional Melancholia	507
11.4	Psychological Testing of Intelligence and Personality	357	CHAPTER 17		
11.5	Psychological Tests for Brain Damage	366	Other Psychotic Depressive Disorders 518		
11.6	Some Instruments Commonly Used by Clinical Psychologists	374	17.1	Psychotic Depressive Reaction	518
11.7	Psychiatric Social Service Information	376	17.2	Postpartum Disorders	523
11.8	Medical Assessment	378	CHAPTER 18		
CHAPTER 12					
Diagnosis: Symptoms of Psychiatric Disorders 383					
CHAPTER 13					
Classification 406					
13.1	Nosology and the Official Psychiatric Nomenclature	406	Organic Brain Syndromes 526		
13.2	Neurosis, Psychosis, and Borderline States	415	18.1	Introduction	526
CHAPTER 14					
Schizophrenia 418					
14.1	Schizophrenia: Introduction and History	418	18.2	Organic Brain Syndromes Associated with Circulatory Disturbances	529
14.2	Schizophrenia: Epidemiology	423	18.3	Organic Brain Syndromes Associated with Disturbances in Metabolism, Growth, and Nutrition	537
			18.4	Organic Brain Syndromes Associated with Diseases of Unknown Causes	542
			18.5	Organic Brain Syndromes Associated with Brain Trauma	547
			18.6	Organic Brain Syndromes Associated with Drug or Poison Intoxication	558
			18.7	Organic Brain Syndromes Associated with Infections	567
			18.8	Organic Brain Syndromes Associated with Intracranial Neoplasms	572
			18.9	Organic Brain Syndromes Associated with Epilepsy	575
CHAPTER 19					
Mental Retardation 585					

CHAPTER 20			
Neurosis	610		
20.1 Anxiety Neurosis	610	23.10b Frigidity, Dyspareunia, and Vaginismus	763
20.2 Hysterical Neurosis, Conversion Type	614	23.10c Impotence and Ejaculatory Disturbances	765
20.3 Hysterical Neurosis, Dissociative Type	619	23.10d The Unconsummated Marriage	768
20.4 Phobic Neurosis	624	23.10e Incest	769
20.5 Obsessive-Compulsive Neurosis	627	23.10f Other Sexual Deviations ...	777
20.6 Depressive Neurosis	634	23.11 Treatment of Sexual Disorders	777
20.7 Neurasthenic Neurosis	638	23.12 Sex and Law	782
20.8 Depersonalization Neurosis	639	CHAPTER 24	
20.9 Hypochondriacal Neurosis	641	Transient Situational Disturbances	786
CHAPTER 21		24.1 Adjustment Reaction of Adult Life	786
Personality Disorders	644	24.2 Traumatic War Neurosis ...	788
CHAPTER 22		CHAPTER 25	
Drug Dependence	653	Psychophysiological Medicine	792
22.1 Opiate Dependence	653	25.1 History of Psychophysiological Medicine	792
22.2 Dependence on Nonnarcotic Agents	664	25.2 Current Theoretical Concepts in Psychophysiological Medicine	796
22.3 Alcoholism and Alcoholic Psychoses	675	25.3 Psychophysiological Gastrointestinal Disorders I. Peptic Ulcer	798
CHAPTER 23		25.4 Psychophysiological Gastrointestinal Disorders II. Intestinal Disorders	802
Normal and Abnormal Human Sexuality	686	25.5 Obesity	805
23.1 Introduction to Sexuality ...	686	25.6 Anorexia Nervosa	810
23.2 Sexual Anatomy and Physiology	688	25.7 Psychophysiological Cardiovascular Disorders	813
23.3 Endocrinology of Human Sexuality	708	25.8 Psychophysiological Respiratory Disorders	819
23.4 Brain Mechanisms of Elemental Sexual Functions ...	717	25.9 Psychophysiological Endocrine Disorders	820
23.5 Stages of Sexual Development	722	25.10 Psychophysiological Allergic and Skin Disorders	830
23.6 Gender Identity	726	25.11 Rheumatoid Arthritis	834
23.7 Pregnancy and Sexual Behavior	732	25.12 Psychogenic Pain	837
23.8 Sex and Medicine	738	25.13 Accident Proneness	840
23.8a Sex and Surgical Procedures in Men	738	25.14 Headaches	844
23.8b Psychological Impact of Surgical Procedures on Women .	740	25.15 Treatment of Psychophysiological Disorders	844
23.8c Sex and Medical Illness	742	CHAPTER 26	
23.8d Drugs and Sexual Behavior .	744	Unusual Psychiatric Disorders and Atypical Psychoses	848
23.8e Psychological Aspects of Contraception	746	CHAPTER 27	
23.8f Abortion	752	Psychiatry and Other Specialties	854
23.9 Sexual Behavior and Mental Illness	754	27.1 Psychiatry and Medicine ...	854
23.10 Sexual Variants and Sexual Disorders	757		
23.10a Homosexuality and Sexual Orientation Disturbances ..	757		

xviii Contents

27.2	Thanatology	862	33.1	History of Child Psychiatry	1023
27.3	Psychiatry and Surgery	866	33.2	Normal Child Development	1025
CHAPTER 28					
Psychiatric Emergencies		870	CHAPTER 34		
28.1	Suicide	870	Child Psychiatry: Assessment ...		
28.2	Other Psychiatric Emergencies	874	34.1	Psychiatric Examination ...	1036
CHAPTER 29					
Psychotherapies		884	34.2	Psychological Testing	1041
29.1	Psychoanalysis and Psychoanalytic Psychotherapy	884	CHAPTER 35		
29.2	Behavior Therapy	895	Child Psychiatry: Adjustment Reactions (Transient Situational Disturbances)		
29.3	Client-centered Psychotherapy	900	35.1	Adjustment Reactions of Infancy and Childhood	1051
29.4	Hypnosis: An Adjunct to Psychotherapy	905	35.2	Adjustment Reaction of Adolescence	1054
29.5	Group Psychotherapy	908	35.3	Children's Reactions to Illness, Hospitalization, and Surgery	1058
29.6	Combined Individual and Group Psychotherapy	921	CHAPTER 36		
29.7	Family Therapy	923	Child Psychiatry: Special Symptoms		
29.8	Marital Therapy	929	36.1	Speech, Reading, and Learning Disturbances	1062
29.9	Psychodrama	932	36.2	Enuresis and Encopresis ...	1065
29.10	Recent Methods of Psychotherapy	933	36.3	Other Special Symptoms ...	1069
CHAPTER 30					
Organic Therapies		943	CHAPTER 37		
30.1	Antipsychotic Drugs	943	Child Psychiatry: Behavior Disorders		
30.2	Antidepressant Drugs	963	37.1	Behavior Disorders	1071
30.3	Minor Tranquilizers, Sedatives, and Hypnotics	976	37.2	Group Delinquent Reaction	1077
30.4	Narcotherapy	988	CHAPTER 38		
30.5	Convulsive Therapies	989	Child Psychiatry: Other Psychiatric Disorders		
30.6	Insulin Coma Treatment ...	993	38.1	Neuroses	1081
30.7	Psychosurgery	995	38.2	Psychophysiological Disorders	1091
30.8	Lithium Therapy	996	38.3	Antisocial Personality ...	1094
30.9	Miscellaneous Organic Therapies	999	38.4	Other Personality Disorders	1097
CHAPTER 31					
Milieu Therapy		1002	38.5	Drug Dependence and Alcoholism	1100
31.1	The Hospital as a Therapeutic Community	1002	38.6	Sexual Deviations	1102
31.2	Partial Hospitalization	1005	38.7	Functional Psychoses	1105
31.3	Occupational Therapy and Other Therapeutic Activities	1007	38.8	Organic Brain Syndromes ..	1108
CHAPTER 32					
Evaluation of Psychiatric Treatment		1010	CHAPTER 39		
32.1	Evaluation of Psychiatric Treatment	1010	Child Psychiatry: Psychiatric Treatment		
32.2	Psychiatric Rating Scales ..	1012	39.1	Individual Psychotherapy ...	1117
CHAPTER 33					
Child Psychiatry: Introduction ..		1023	39.2	Group Therapy	1123
			39.3	Organic Therapies	1129
			39.4	Residential Treatment	1136
			39.5	Day Treatment	1138
			39.6	Psychiatry and the School ..	1139
			39.7	Psychiatric Treatment of the Adolescent	1143

CHAPTER 40		CHAPTER 47	
Child Psychiatry: Special Areas of Interest	1149	The Middle-Aged	1196
40.1 Maternal Deprivation	1149	CHAPTER 48	
40.2 Child Maltreatment and Battered-Child Syndromes	1151	Geriatric Psychiatry	1203
40.3 Day Care Programs	1156	CHAPTER 49	
40.4 Twins	1160	Forensic and Correctional Psychiatry	1212
40.5 Children's Dreams	1161	49.1 Forensic Psychiatry	1212
CHAPTER 41		49.2 Correctional Psychiatry	1220
Conditions without Manifest Psychiatric Disorder	1163	CHAPTER 50	
CHAPTER 42		Administrative Psychiatry	1224
Community Psychiatry	1166	CHAPTER 51	
42.1 Community Psychiatry Concepts	1166	Contemporary Issues in Psychiatry	1228
42.2 Definition of Mental Health and Disease	1171	51.1 Psychohistory	1228
42.3 Primary Prevention of Mental Illness	1172	51.2 The Creative Process	1229
42.4 Secondary Prevention of Mental Illness	1175	51.3 Contemporary Comment Relevant to Mental Health ..	1236
42.5 Tertiary Prevention of Mental Illness	1177	51.4 Politics	1237
42.6 Mental Health Consultation	1180	51.5 Social Violence and Aggression	1240
CHAPTER 43		51.6 Interracial Relations	1245
Military Psychiatry	1183	51.7 The Women's Movement ...	1246
CHAPTER 44		51.8 The Urban Setting	1251
Occupational Psychiatry	1188	51.9 Delivery Service Systems ..	1255
CHAPTER 45		51.10 Health Insurance	1257
Clinical Psychology	1191	51.11 Socio-Economic Considerations	1260
CHAPTER 46		51.12 Religion	1262
Psychiatric Nursing	1194	51.13 Paraprofessionals	1264
		51.14 Ethics	1267
		51.15 Parapsychology	1271
		51.16 Transcendental Meditation and Other Nonprofessional Psychotherapies	1274
		51.17 Psychiatry in the Future ...	1276
