<b>Introduction</b> .....	III
<b>Principles</b> .....	1
Structure and Functions of the Skin .....	1
Skin Layers .....	1
Epidermis .....	2
Dermis .....	4
Subcutis .....	6
Vascular System .....	7
Innervation .....	8
Skin Pigments .....	9
Epithelial Appendages .....	11
General Dermatology and Differentiation of Eruptions .....	11
Examination of Patients with Skin Conditions .....	11
Types of Lesion .....	12
Sites .....	16
Concomitant Signs .....	16
Duration .....	17
Skin Discolorations .....	17
Pruritus .....	19
Pruritus Ani .....	21
Pruritus Vulvae .....	22
Treatment .....	22
Internal .....	22
External Drug Therapy .....	23
Vehicles .....	23
Methods of Application .....	25
Additives to the Bases .....	26
Physical Treatment .....	28
Radiation Therapy .....	28
UV Rays .....	28
Surgery .....	28
<b>Disorders of the Skin</b> .....	30
Conditions which Manifest Themselves Chiefly by Color Changes .....	30
Erythema .....	30
Erythemas Due to Physical Causes .....	32
Erythemas Induced by Chemicals .....	42
Erythemas Caused by Drugs .....	43

Erythemas Caused by Substances Produced in the Body.....	43
Figurated Erythemas.....	43
Erythema Multiforme.....	45
Macular Eruptions.....	46
Erythematousquamous Dermatoses.....	47
Psoriasis.....	47
Pityriasis Rubra Pilaris.....	59
Seborrheic Dermatitis.....	59
Pityriasis Rosea.....	61
Parapsoriasis Group.....	62
Intradermal Hemorrhage.....	64
Purpura.....	64
Whitish Discoloration of the Skin.....	66
Whitish Discoloration Due to Impaired Blood Supply to the Skin or Anemia.....	66
Depigmentation Due to Melanin Deficiency.....	67
Depigmentation Due to Skin Diseases.....	70
Dark Discoloration of the Skin.....	72
Constitutional Hyperpigmentation.....	72
Hyperpigmentation from Internal Causes.....	73
Drug-Induced Hyperpigmentation.....	74
Hyperpigmentation Caused by Photosensitizing Agents.....	75
Melanoderma.....	75
Abnormal Keratinization.....	76
Ichthyosis.....	77
Hereditary Forms of Ichthyosis.....	77
Secondary Ichthyosis.....	82
Histology of the Different Types of Ichthyosis.....	83
Treatment of Ichthyosis.....	83
Follicular Hyperkeratoses.....	83
Keratosis Pilaris.....	83
Follicular Hyperkeratoses of Unknown Origin.....	84
Circumscribed Hyperkeratoses.....	85
Erythrokeratoderma.....	86
Papular Eruptions.....	86
Lichen Planus.....	86
Circumscribed Neurodermatitis.....	92
Papular Urticaria.....	93
Granuloma Annulare.....	93
Granuloma Faciale Eosinophilicum.....	95
Connective Tissue Disorders.....	95
Lupus Erythematosus.....	95
Dermatomyositis.....	101
Scleroderma.....	103

Localized Scleroderma, Localized Morphea . . . . .	107
Pseudoxanthoma Elasticum . . . . .	109
Dermatochalasis . . . . .	110
Skin Elastosis . . . . .	111
Colloid Pseudomilium . . . . .	111
Acrodermatitis Chronica Atrophicans . . . . .	111
Lichen Sclerosus et Atrophicus . . . . .	113
Ehlers-Danlos Syndrome, Cutis Hyperelastica, India Rubber Skin . .	115
Rare Malformations of the Cutaneous Connective Tissue . . . . .	116
Congenital Poikilodermas . . . . .	117
Knuckle Pads . . . . .	117
Tuberous Sclerosis . . . . .	117
Plastic Induration of the Penis . . . . .	118
Diseases of the Cutaneous and Subcutaneous Blood Vessels . . . . .	119
Telangiectasias . . . . .	119
Spider Angioma . . . . .	119
Cutaneous Birch-Broom Phlebectasia . . . . .	119
Acrocyanosis . . . . .	119
Erythromelalgia . . . . .	120
Livedo Vasculitis . . . . .	120
Raynaud's Phenomenon . . . . .	121
Arteritides . . . . .	121
Endangiitis Obliterans . . . . .	122
Panarteritis Nodosa . . . . .	122
Wegener's Granulomatosis . . . . .	122
Temporal Arteritis . . . . .	123
Arteriolitides . . . . .	123
Superficial Allergic Vasculitis . . . . .	123
Malignant Atrophic Papulosis . . . . .	123
Pyoderma Gangrenosum . . . . .	123
Infarction Ulcer . . . . .	123
Deep, Predominantly Venous Forms of Vasculitis . . . . .	124
Erythema Nodosum . . . . .	124
Nodular Vasculitis . . . . .	125
Cable Phlebitis . . . . .	125
Varicose Syndrome . . . . .	126
Deep Phlebothrombosis and Thrombophlebitis . . . . .	126
Superficial Thrombophlebitis . . . . .	127
Secondary Varicosity in Deep Vein Disorders . . . . .	127
Treatment of Varicosis . . . . .	127
Venous Leg Ulcers . . . . .	129
Diseases of the Subcutaneous Fat, Panniculitis . . . . .	130
Diseases Involving the Subcutaneous Fat in Addition to Other Tissues	130
Lipogranuloma . . . . .	131
Adiponecrosis Subcutanea Neonatorum . . . . .	132

Cold Panniculitis .....	132
Panniculitis in Disorders of the Pancreas, Including Carcinoma ....	132
Nodular Nonsuppurative Panniculitis, Relapsing Febrile Non-suppurative Panniculitis, Pfeifer-Weber-Christian Disease .....	132
Rothmann-Makai Subcutaneous Lipogranulomatosis .....	132
<b>Metabolic Diseases and Metabolic Deposits .....</b>	<b>133</b>
Amyloid Inclusions .....	133
Primary Systemic Amyloidosis .....	133
Secondary Amyloidosis .....	134
Lichen Amyloidosis .....	134
Lipoid Proteinosis, Hyalinosis Cutis et Mucosae .....	134
Myxedema .....	134
Myxedema Associated with Impaired Thyroid Function .....	135
Myxedema in Normal Thyroid Function .....	136
Lipid Deposits in the Skin .....	136
Xanthelasma .....	136
Xanthoma .....	137
Porphyrias .....	143
Congenital Erythropoietic Porphyria .....	143
Erythropoietic Protoporphyrin .....	143
Hepatic Porphyrias .....	144
<b>Bullous Diseases .....</b>	<b>145</b>
Epidermolysis Bullosa Group .....	147
Dermatitis Herpetiformis, Duhring's Disease .....	149
Subcorneal Pustular Dermatitis .....	152
Herpes Gestationis .....	152
Pemphigoid .....	153
Cicatricial Pemphigoid .....	154
Pemphigus Group .....	155
Pemphigus Vulgaris .....	155
Other Forms of Pemphigus .....	157
Chronic Familial Pemphigus .....	158
<b>Allergic Skin Reactions .....</b>	<b>158</b>
Types of Antigen-Antibody Reactions .....	158
Test Methods .....	161
The Use of Different Tests .....	163
Drug Eruptions .....	165
Imitation of Other Skin Conditions .....	165
Eruptions Provoked by Carbromal (Adalin), Semisynthetic Penicillins, Analgesics, Iodine and Bromides .....	165
Fixed Drug Eruptions, Photosensitization, Pigmentation Changes and Bullae Provoked by Drugs .....	165
Toxic Epidermal Necrolysis .....	166
"Drug Eruptions" Resulting from Abuse of Drugs .....	170

Urticaria, Hives .....	172
Acute Urticaria .....	173
Urticaria Due to Physical Causes .....	173
Cholinergic Urticaria .....	175
Urticaria Caused by Introduction of Allergens .....	175
Chronic Urticaria .....	176
Angioedema .....	176
Treatment of Urticaria .....	176
Dermatitis-Eczema Group .....	178
Contact Dermatitis .....	178
Contact Dermatitis due to Irritation .....	179
Dermatitis of the Hands .....	179
Allergic Contact Dermatitis .....	182
Atopic Dermatitis (Endogenous Eczema) .....	191
Dyshidrosis .....	197
Stasis Dermatitis .....	198
Nummular Eczema .....	199
Seborrheic Dermatitis .....	199
Diseases Caused by Parasites .....	200
Epizoonoses .....	200
Scabies .....	201
Trombiculosis .....	206
Infestations by Ticks .....	206
Diseases Caused by Lice .....	208
Diseases Caused by Fleas .....	214
Diseases Caused by Bedbugs .....	215
Diseases Caused by Mosquitoes, Bees, and Other Stinging Insects ..	216
Leishmaniasis .....	218
Diseases Caused by Worms .....	219
Nematodes .....	220
Platyhelminthes .....	221
Diseases Caused by Fungi and Related Organisms .....	222
Conditions Favoring Fungal Infections .....	222
Modes of Colonization and Spread of Dermatophytes .....	223
Classification of Dermatophytes .....	225
Demonstration of Fungi on the Skin .....	225
Forms of Mycoses .....	227
Forms with Slight Inflammatory Reactions .....	228
Forms Causing More Severe Inflammatory Reactions .....	232
Forms with Deep-Seated Inflammatory Reactions .....	236
Candida Infections .....	238
Molds .....	243
Blastomycosis Group (Deep Mycoses, Systemic Mycoses) .....	243

Infections Caused By Actinomycetes . . . . .	243
Ids . . . . .	244
Virus Diseases of the Skin . . . . .	245
Warts . . . . .	245
Mollusca Contagiosa . . . . .	250
Herpes . . . . .	251
Zoster . . . . .	255
Variola, Smallpox . . . . .	258
Variola Minor . . . . .	264
Cat-Scratch Disease . . . . .	264
Purulent Skin Infections Caused by Bacteria . . . . .	265
Impetigo . . . . .	265
Folliculitis . . . . .	267
Erysipelas . . . . .	270
Skin Lesions Caused by Corynebacteria . . . . .	272
Erysipeloid . . . . .	272
Erythrasma . . . . .	273
Trichobacteriosis Axillaris . . . . .	274
Tuberculosis Cutis and Tuberculoid Skin Diseases . . . . .	275
Skin Tuberculosis in Patients Not Previously Infected and Those with Inadequate Immune Defense . . . . .	275
Primary Complex . . . . .	275
BCG Vaccination . . . . .	275
Mucosal Tuberculosis . . . . .	276
Skin Tuberculosis in Previously Infected Subjects with Moderate to Good Immune Status . . . . .	276
Forms Which Normally Produce a Progressive Single Focus . . . . .	276
Hematogenous Spread—Tuberculids . . . . .	281
Sarcoidosis . . . . .	284
Leprosy . . . . .	286
Venereal Diseases . . . . .	288
Definition of a Venereal Disease . . . . .	288
Legal Aspects, Contact Tracing, Treatment Plan . . . . .	288
Syphilis . . . . .	289
Causative Organism . . . . .	289
Progression of Syphilis . . . . .	290
Differential Diagnosis . . . . .	304
Treatment . . . . .	305
Gonorrhoea . . . . .	308
Nongonorrhoeal Urethritides . . . . .	312
Chancroid . . . . .	317
Lymphogranuloma Venereum . . . . .	318
Granuloma Inguinale . . . . .	320
