

CONTENTS

PART I. GENERAL DEVELOPMENT

	PAGE
CHAPTER I.—INTRODUCTION.....	I
General Features of Development.....	4
Some Fundamental Concepts.....	11
Recommendations for Collateral Reading.....	15
CHAPTER II.—THE GERM CELLS AND FERTILIZATION.....	16
The Germ Cells.....	16
Oögenesis.....	18
Spermatogenesis.....	29
Ovulation and Semination.....	35
Fertilization.....	43
Heredity and Sex.....	48
References Cited.....	50
CHAPTER III.—CLEAVAGE AND THE ORIGIN OF THE GERM LAYERS.....	53
Amphioxus.....	55
Lower Fishes and Amphibia.....	59
Higher Fishes, Reptiles and Birds.....	63
Mammals.....	71
References Cited.....	79
CHAPTER IV.—FETAL MEMBRANES, PLACENTATION AND DECIDUÆ.....	80
The Fetal Membranes of Reptiles and Birds.....	81
The Fetal Membranes of Mammals.....	83
Human Placentation.....	89
Implantation of the Embryo in the Mucosa.....	89
Establishment of the Embryo in the Mucosa.....	97
The Fetal Membranes.....	101
The Decidual Membranes.....	110
The Placenta.....	115
References Cited.....	128
CHAPTER V.—AGE, BODY FORM AND GROWTH CHANGES.....	129
Determination of the Age of Embryos.....	129
Viability and Longevity.....	132
An Outline of Prenatal Development.....	133
Period of the Ovum.....	133
Period of the Embryo.....	133
Period of the Fetus.....	147
The Establishment of External Form.....	149
The Head and Neck.....	149
The Trunk.....	158
The Appendages.....	159
Growth Changes.....	161
References Cited.....	165
CHAPTER VI.—TERATOLOGY.....	167
Twins and Twinning.....	168
Equal Conjoined Twins.....	172
Unequal Conjoined Twins.....	174
The Cause of Monsters and Anomalies.....	175
References Cited.....	182

PART II. ORGANOGENESIS

ENTODERMAL DERIVATIVES

	PAGE
CHAPTER VII.—THE DIGESTIVE SYSTEM	183
The Mouth	186
The Pharynx	202
The Digestive Tube	213
The Liver	222
The Pancreas	227
References Cited	229
CHAPTER VIII.—THE RESPIRATORY SYSTEM	231
The Larynx	232
The Trachea	233
The Lungs	233
References Cited	239

MESODERMAL DERIVATIVES

CHAPTER IX.—THE MESENTERIES AND COELOM	240
The Mesenteries	240
The Primitive Mesentery	240
Specialization of the Dorsal Mesentery	241
Specialization of the Ventral Mesentery	248
The Coelom	250
The Primitive Coelom	250
The Septum Transversum	253
The Pleuro-pericardial Membrane	256
The Pleuro-peritoneal Membrane	257
The Pericardium	258
The Diaphragm	259
References Cited	260
CHAPTER X.—THE UROGENITAL SYSTEM	261
The Urinary Organs	261
The Pronephros	262
The Mesonephros	264
The Metanephros	267
The Cloaca	274
The Genital Organs	279
Indifferent Stage	279
Internal Sexual Transformations	284
The External Genitalia	299
Homologies of the Urogenital System	303
References Cited	305
CHAPTER XI.—THE VASCULAR SYSTEM	306
Angiogenesis	306
Hemopoiesis	307
The Primitive Vascular System	312
Development of the Heart	316
External Changes in the Heart	319
Internal Changes in the Heart	321
Development of the Arteries	331
Development of the Veins	341
Fetal Circulation and the Changes at Birth	352
The Lymphatic System	354
References Cited	358
CHAPTER XII.—THE SKELETAL SYSTEM	360
Histogenesis of the Supporting Tissues	360
Connective Tissue	360
Cartilage	362
Bone	362

	PAGE
Morphogenesis of the Skeleton.....	369
The Axial Skeleton.....	369
The Appendicular Skeleton.....	383
References Cited.....	386
CHAPTER XIII.—THE MUSCULAR SYSTEM.....	387
The Histogenesis of Muscle.....	387
Morphogenesis of the Muscles.....	390
References Cited.....	396

ECTODERMAL DERIVATIVES

CHAPTER XIV.—THE INTEGUMENTARY SYSTEM.....	397
The Skin.....	397
The Nails.....	400
The Hair.....	401
Sebaceous Glands.....	404
Sweat Glands.....	405
Mammary Glands.....	406
References Cited.....	409
CHAPTER XV.—THE CENTRAL NERVOUS SYSTEM.....	410
Histogenesis of the Nervous Tissues.....	410
Morphogenesis of the Central Nervous System.....	419
The Spinal Cord.....	421
The Brain.....	426
The Myelencephalon.....	432
The Metencephalon.....	436
The Mesencephalon.....	439
The Diencephalon.....	440
The Telencephalon.....	443
References Cited.....	454
CHAPTER XVI.—THE PERIPHERAL NERVOUS SYSTEM.....	455
The Spinal Nerves.....	457
The Cranial Nerves.....	459
The Sympathetic Nervous System.....	468
The Chromaffin Bodies and Suprarenal Gland.....	471
References Cited.....	473
CHAPTER XVII.—THE SENSE ORGANS.....	475
General Sensory Organs.....	475
The Gustatory Organ.....	476
The Nose.....	477
The Eye.....	482
The Ear.....	494
References Cited.....	504

PART III. A LABORATORY MANUAL OF EMBRYOLOGY

CHAPTER XVIII.—THE STUDY OF CHICK EMBRYOS.....	505
The Unincubated Ovum and Embryos of the First Day.....	505
Embryo of Five Segments (Twenty-four Hours).....	510
Embryo of Seven Segments (Twenty-five Hours).....	511
Embryo of Seventeen Segments (Thirty-eight Hours).....	519
Embryo of Twenty-seven Segments (Two Days).....	529
Embryos of Three to Four Days.....	543
Embryos of Seven and Ten Days.....	546
CHAPTER XIX.—THE STUDY OF PIG EMBRYOS.....	547
The Anatomy of a Six Mm. Pig Embryo.....	548
The Anatomy of a Ten Mm. Pig Embryo.....	551
The Anatomy of an Eighteen Mm. Pig Embryo.....	579
The Anatomy of a Thirty-five Mm. Pig Embryo.....	582
INDEX.....	587
