

Contents

- Preface to the Seventh Edition, ix
- Preface to the First Edition, xi
- ✗ Failure to thrive, 1
- Shortness of stature, 19
- ✗ Loss of weight, 22
- Excessive height, 25
- Obesity, 26
- ✗ Unexplained fever, 27
- Hyperpyrexia, 36
- Hypothermia, 37
- Lassitude, 37
- Excessive sweating, 41
- ✗ Enlargement of the lymph nodes, 43
- ✗ Swelling of the face, 45
- ✗ Anaemia and pallor, 46
- ✗ Purpura, 55
- ✗ Poor appetite, 59
- Pica (dirt eating), 61
- Nausea, 62
- ✗ Vomiting, 63
- Haematemesis, 76
- Constipation, 78
- Encopresis and faecal incontinence, 80
- ✗ Diarrhoea, 81
- Blood in the stool, 85
- The colour of the stools, 88
- Pain—general comments, 89
- Headache, 91
- Abdominal pain, 98
- Abdominal distension, 113
- Jaundice, 117
- Persistent cyanosis, 126
- Cyanotic (apnoeic) attacks in the newborn, 128
- ✗ Dyspnoea in the newborn, 130
- ✗ Dyspnoea after the newborn period, 135
- Overventilation, 137
- ✗ Cough, 139
- ✗ Wheezing, 143
- ✗ Stridor, 146
- ✗ Hoarseness, 153
- Chest pain, 154
- Haemoptysis, 155

- ✓ Symptoms related to the nose, 156
 - Epistaxis, 156
 - Halitosis, 156
 - Nasal obstruction and mouth-breathing, 157
 - Colds and nasal discharge, 157
 - Sneezing, 159
- ✓ Symptoms related to the mouth and throat, 159
 - Stomatitis and gingivitis, 159
 - Dryness in the mouth, 162
 - Salivation and drooling, 162
 - Trismus, 163
 - The teeth, 164
 - Tooth grinding, 165
 - Snoring, 165
 - ✓ Sore throat, 165
 - Difficulty in sucking and swallowing, 166
- Symptoms related to the eye, 169
 - Blurring of vision: amblyopia, 169
 - Deterioration and loss of vision, 170
 - Blindness, 170
 - Cataract, 172
 - Nystagmus, 174
 - Diplopia, 175
 - Strabismus, 175
 - Myopia, 177
 - Photophobia, 177
 - Lachrymation and epiphora, 178
 - Colour vision, 179
 - Ptosis, 179
 - Proptosis, 180
- Symptoms related to the ear, 181
 - Ear pain and ear discharge, 181
 - Defective hearing, 181
 - Tinnitus, 185
 - Vertigo, 185
- Face pain, 187
- Facial palsy, 188
- Clumsiness and ataxia, 190
- Abnormal gait, 195
- Paraesthesiae, 195
- Overactivity, 196
- Undue excitement, 198
- Aggressiveness and temper tantrums, 198
- Undue irritability, 198
- Confusion, delirium and hallucinations, 200
- Coma, 201
- Drowsiness, 203
- Involuntary movements, 204
- Convulsions, 208
- Neck stiffness, 223
- Scoliosis, 225
- Hypotonia and/or generalized weakness, 226
- Localized weakness, 231
- Stiffness or spasticity of limbs, 233

- Inequality of limb length, 235
- Limitation of joint movement, 237
- Bow legs and knock knees, 237
- Toe walking and toeing in, 238
- Limp, limb and joint pains, 239
- Back pains, 251
- Local muscle wasting, 252
- Asymmetry of the head, 253
 - A small head, 253
 - A large head, 256
 - Torticollis, 258
 - Opisthotonos, 260
 - Asymmetry of the chest, 261
 - Crying, 261
 - Types of cry, 265
- Insomnia and sleep disturbance, 266
- Mental subnormality, 268
- Other causes of general backwardness, 270
- Backwardness in individual fields of development, 277
- Mental deterioration, 284
- Symptoms related to the genito-urinary tract, 287
 - Urinary tract infection, 287
 - Delayed micturition in the newborn, 288
- Suppression or retention of urine, 289
- Oliguria, 290
- Frequency or scalding on micturition, 290
- Polydipsia, polyuria, 291
- Haematuria, 292
- Changes in the colour of the urine, 294
- Pain in the penis, 297
- Pain or swelling in the scrotum, 297
- Oedema, 298
 - Generalized oedema, 298
 - Face, eyelids and conjunctiva, 300
 - Arm, 302
 - Abdominal wall, 302
 - Legs, 302
 - Genitalia, 303
 - Lower part of body, 303
 - Sternum, 303
- Delayed puberty in the girl and amenorrhoea, 304
- Some other gynaecological problems, 306
- Delayed puberty in the boy, 308
- Sexual precocity, 309
 - The girl, 309
 - The boy, 311
 - Gynaecomastia, 312
- Recurrent infections, 314
- Symptoms related to the skin, 317
 - Pruritis, 317

Hair loss and hypertrichosis, 319	Side effects of individual drugs, 334
Ichthyosis, 321	Psychological and organic, 346
Pigmentation, 322	Some symptoms of importance, 349
Photosensitivity, 325	Some popular fallacies, 350
Bullous or vesicular skin lesions, 326	The paediatric diagnostic problem—elementary principles of diagnosis, 352
Erythema nodosum, 327	Useful books, 354
Eczematous skin lesions, 327	Index, 356
Telangiectasia, 328	
Naevi, 329	
Nail lesions, 330	
Side effects of drugs (general), 332
