

## Table of Contents

	<i>Page</i>
Introduction .....	5
Two Phases of Cardiopulmonary Resuscitation .....	6
Training Standards .....	6
Who Should Be Taught? .....	7
Instructor Preparation .....	8
Use of Teaching Aids .....	8
Principles and Features of Training .....	11
Emergency Measures .....	11
Recognition .....	11
Exhaled Air Ventilation .....	11
Detection of Pulselessness .....	13
External Cardiac Compression .....	14
Transportation .....	16
Definitive Therapy .....	17
The Physician's Role .....	17
Electrocardiogram .....	18
Ventricular Fibrillation .....	18
External Defibrillation .....	19
Internal Defibrillation .....	20
Pacemakers .....	21
Post-Resuscitation Care .....	21
The Nurse's Role .....	22
Cardiopulmonary Resuscitation Report .....	24
Special Problems in Resuscitation .....	26
When Not to Start Resuscitation .....	26
When to Discontinue Resuscitation .....	26
Complications of Cardiopulmonary Resuscitation .....	27
Recommendations for Mechanical Equipment .....	28
Medical-Legal Considerations .....	29
Outlines of Training Courses .....	31
Introduction .....	31
Physicians and Medical Students .....	32

---

	<i>Page</i>
Nurses and Nursing Students .....	32
Dentists and Dental Students .....	33
Ambulance Personnel and Rescue Squads .....	33
Lifeguards .....	34
Selected Lay Groups .....	34
Lay Public .....	35
Instructors .....	35
Use of Training Aids .....	37
Manikins .....	37
Human Subjects .....	37
Experimental Animals .....	38
Steps in Manikin Practice .....	38
Preparation, Care and Maintenance of the Manikin .....	40

## **Appendix**

Table 1 Steps of Cardiopulmonary Resuscitation .....	42
Table 2 Recommended Basic Training Aids .....	44
Table 3 Recommended Supplementary Training Aids .....	46
Descriptive List of Training Aids .....	48
Films .....	48
Slide-sets .....	52
Publications .....	53
Exhibits .....	56
Manikins .....	57
Examination for Testing Trainees .....	59
Recognition of Course Completion .....	63
Wall Charts .....	64
Laboratory Demonstration and Practice .....	66
Selected Readings .....	68
