Preface .....	vii
Acknowledgments .....	ix

<b>OVERVIEW OF ANATOMY .....</b>	<b>1</b>
Medical and Anatomical Terminology .....	2
The Anatomical Position .....	2
The Anatomical Planes .....	3
Sections of the Body .....	5
Terms of Relationship .....	5
Terms of Comparison .....	6
Terms of Movement .....	6
Anatomical Variations .....	9
Diagnostic Imaging .....	10
Bones and the Skeletal System .....	11
Types of Bone .....	11
Joints (Articulations) .....	16
Classification of Joints .....	16
Innervation of Joints .....	19
Muscle Tissue and the Muscular System .....	20
Types of Muscle .....	20
Blood Vessels and the Cardiovascular System .....	23
Lymphatics and the Lymphatic System .....	26
Functions of the Lymphatics .....	26
Nervous Tissue and the Nervous System .....	27
 <b>1 / THE THORAX .....</b>	 <b>33</b>
The Thoracic Wall .....	33
Skin and Fascia of the Thoracic Wall .....	33
Bones of the Thoracic Wall .....	33
Surface Anatomy of the Anterior Thoracic Wall .....	44
The Breasts .....	45
Movements of the Thoracic Wall .....	48
The Thoracic Apertures .....	49
Muscles of the Thorax .....	50
The Intercostal Spaces .....	51
The Intercostal Nerves .....	52
The Intercostal Arteries .....	59
The Intercostal Veins .....	59
The Internal Thoracic Vessels .....	59
 <b>2 / THE ABDOMEN .....</b>	 <b>127</b>
The Abdominal Wall .....	127
The Anterior Abdominal Wall .....	127
The Peritoneum and Peritoneal Cavity .....	152
The Abdominal Cavity .....	159
The Abdominal Viscera .....	160
The Esophagus .....	160
The Stomach .....	161
The Small Intestine .....	171
The Duodenum .....	172
The Spleen .....	184
The Pancreas .....	187
The Liver .....	190
The Biliary Ducts .....	200
The Large Intestine .....	203
The Portal Vein and Portal-Systemic Anastomoses .....	209
The Kidneys .....	210
The Ureters .....	217
The Suprarenal Glands .....	224
The Thoracic Diaphragm .....	224
The Posterior Abdominal Wall .....	229
Muscles of the Posterior Abdominal Wall .....	229
Nerves of the Posterior Abdominal Wall .....	230
Arteries of the Posterior Abdominal Wall .....	233

Veins of the Posterior Abdominal Wall .....	235	The Femoral Triangle .....	393		
Lymphatics of the Posterior Abdominal Wall .....	237	<b>The Gluteal Region .....</b>	<b>407</b>		
<b>Patient Oriented Problems .....</b>	<b>237</b>	The Gluteal Nerves .....	413		
<b>Discussion of Patients' Problems .....</b>	<b>239</b>	The Gluteal Arteries .....	420		
<hr/>					
<b>3 / THE PELVIS AND PERINEUM ...</b>	<b>243</b>	The Gluteal Veins .....	421		
<b>The Pelvis .....</b>	<b>243</b>	The Posterior Thigh Muscles .....	421		
The Bony Pelvis .....	243	The Popliteal Fossa .....	423		
Joints of the Pelvis .....	251	<b>The Leg .....</b>	<b>432</b>		
Walls of the Pelvis .....	252	Bones of the Leg .....	432		
Nerves of the Pelvis .....	255	Surface Anatomy of the Leg .....	437		
The Pelvic Fascia .....	259	Bones of the Foot .....	437		
Arteries of the Pelvis .....	261	The Crural Fascia .....	441		
Venous Drainage of the Pelvis .....	265	Compartments of the Leg .....	443		
The Pelvic Viscera .....	267	<b>The Foot .....</b>	<b>460</b>		
Lymphatic Drainage of the Pelvis .....	293	Muscles of the Foot .....	464		
The Pelvic Autonomic Nerves .....	294	Nerves of the Foot .....	468		
<b>The Perineum .....</b>	<b>295</b>	Arteries of the Foot .....	469		
Boundaries of the Perineum .....	295	Veins of the Foot .....	471		
The Pelvic Diaphragm .....	295	<b>Joints of the Lower Limb .....</b>	<b>471</b>		
The Urogenital Diaphragm .....	297	The Hip Joint .....	472		
The Anal Triangle .....	299	The Knee Joint .....	477		
The Male Perineum .....	307	The Tibiofibular Joints .....	486		
The Female Perineum .....	313	The Ankle Joint .....	487		
<b>Patient Oriented Problems .....</b>	<b>319</b>	Joints of the Foot .....	490		
<b>Discussion of Patients' Problems .....</b>	<b>320</b>	The Arches of the Foot .....	494		
<hr/>					
<b>4 / THE BACK .....</b>	<b>323</b>	<b>Patient Oriented Problems .....</b>	<b>496</b>		
<b>The Vertebral Column .....</b>	<b>323</b>	<b>Discussion of Patients' Problems .....</b>	<b>497</b>		
Normal Curvatures of the Vertebral Column .....	323	<hr/>			
Palpation of the Vertebral Column .....	327	<b>6 / THE UPPER LIMB .....</b>	<b>501</b>		
The Vertebrae .....	327	<b>Bones of the Upper Limb .....</b>	<b>501</b>		
Joints of the Vertebral Column .....	342	The Pectoral Girdle .....	501		
<b>Muscles of the Back .....</b>	<b>351</b>	<b>The Pectoral Muscles .....</b>	<b>506</b>		
The Extrinsic Back Muscles .....	351	<b>The Axilla .....</b>	<b>510</b>		
The Intrinsic Back Muscles .....	351	The Brachial Plexus .....	512		
The Suboccipital Region .....	358	<b>The Back and Shoulder Region .....</b>	<b>530</b>		
<b>Spinal Cord and Meninges .....</b>	<b>359</b>	Muscles Connecting the Upper Limb to the Vertebral Column .....	530		
<b>Patient Oriented Problems .....</b>	<b>369</b>	The Scapular Muscles .....	533		
<b>Discussion of Patients' Problems .....</b>	<b>370</b>	<b>The Arm .....</b>	<b>539</b>		
<hr/>					
<b>5 / THE LOWER LIMB .....</b>	<b>373</b>	The Humerus .....	539		
<b>The Hip and Thigh Areas .....</b>	<b>373</b>	The Brachial Fascia and Intermuscular Septa .....	539		
The Bone and Surface Anatomy of the Hip .....	373	Muscles of the Arm .....	539		
The Bone and Surface Anatomy of the Thigh .....	377	The Cubital Fossa .....	547		
The Fasciae of the Thigh .....	379	<b>The Forearm .....</b>	<b>553</b>		
The Thigh Muscles .....	385	Muscles in the Cubital Region .....	559		
		Bones of the Wrist and Hand .....	560		
		Muscles of the Forearm .....	565		
		Nerves of the Forearm .....	571		
		Arteries of the Forearm .....	578		
		The Extensor Muscles of the Forearm .....	581		
		The Posterior Nerves of the Forearm .....	588		

---

The Posterior Arteries of the Forearm ..	590	The Tongue .....	745
<b>The Wrist and Hand .....</b>	<b>591</b>	The Salivary Glands .....	751
The Hand .....	591	The Pterygopalatine Fossa .....	752
<b>Joints of the Upper Limb .....</b>	<b>607</b>	<b>The Nose .....</b>	<b>754</b>
<b>Patient Oriented Problems .....</b>	<b>629</b>	The Paranasal Sinuses .....	758
<b>Discussion of Patients' Problems .....</b>	<b>633</b>	<b>The Ear .....</b>	<b>763</b>
<hr/>		The External Ear .....	763
<b>7 / THE HEAD .....</b>	<b>637</b>	The Middle Ear .....	769
<b>The Skull .....</b>	<b>637</b>	The Internal Ear .....	775
Bones of the Skull .....	643	<b>Patient Oriented Problems .....</b>	<b>778</b>
<b>The Face .....</b>	<b>655</b>	<b>Discussion of Patient's Problems .....</b>	<b>780</b>
Muscles of the Face .....	655	<hr/>	
Arteries of the Face .....	665	<b>8 / THE NECK .....</b>	<b>783</b>
Veins of the Face .....	667	<b>Surface Anatomy of the Neck .....</b>	<b>783</b>
Lymphatic Drainage of the Face .....	668	Superficial Neck Muscles .....	786
The Parotid Gland .....	670	<b>Triangles of the Neck .....</b>	<b>787</b>
<b>The Scalp .....</b>	<b>671</b>	Posterior Triangle of the Neck .....	789
Layers of the Scalp .....	671	Anterior Triangle of the Neck .....	796
Nerves of the Scalp .....	674	The Cervical Viscera .....	816
Arteries of the Scalp .....	674	Fascial Planes of the Neck .....	821
Veins of the Scalp .....	675	<b>The Pharynx .....</b>	<b>825</b>
Lymphatic Drainage of the Scalp .....	675	Muscles of the Pharynx .....	826
<b>The Cranial Fossae .....</b>	<b>675</b>	Interior of the Pharynx .....	834
The Anterior Cranial Fossa .....	675	<b>The Larynx .....</b>	<b>838</b>
The Middle Cranial Fossa .....	676	<b>Patient Oriented Problems .....</b>	<b>849</b>
The Posterior Cranial Fossa .....	676	<b>Discussion of Patients' Problems .....</b>	<b>851</b>
<hr/>		<hr/>	
<b>Cranial Meninges and Cerebrospinal Fluid .....</b>	<b>681</b>	<b>9 / THE CRANIAL NERVES .....</b>	<b>853</b>
<b>The Brain .....</b>	<b>692</b>	<b>The Olfactory Nerve (CN I) .....</b>	<b>853</b>
The Main Parts of the Brain .....	693	<b>The Optic Nerve (CN II) .....</b>	<b>854</b>
Ventricular System and CSF .....	698	<b>The Oculomotor Nerve (CN III) .....</b>	<b>859</b>
<b>The Orbit .....</b>	<b>702</b>	<b>The Trochlear Nerve (CN IV) .....</b>	<b>861</b>
The Orbital Contents .....	705	<b>The Trigeminal Nerve (CN V) .....</b>	<b>861</b>
The Orbital Muscles .....	716	<b>The Abducent Nerve (CN VI) .....</b>	<b>865</b>
<b>The Parotid Region .....</b>	<b>719</b>	<b>The Facial Nerve (CN VII) .....</b>	<b>866</b>
<b>The Temporal Region .....</b>	<b>723</b>	<b>The Vestibulocochlear Nerve (CN VIII) .....</b>	<b>866</b>
The Temporal Fossa .....	723	<b>The Glossopharyngeal Nerve (CN IX) .....</b>	<b>869</b>
The Infratemporal Fossa .....	723	<b>The Vagus Nerve (CN X) .....</b>	<b>871</b>
<b>The Temporomandibular Joint .....</b>	<b>731</b>	<b>The Accessory Nerve (CN XI) .....</b>	<b>873</b>
<b>The Oral Region .....</b>	<b>733</b>	<b>The Hypoglossal Nerve (CN XII) .....</b>	<b>873</b>
The Oral Cavity .....	733	<hr/>	
The Palate .....	741		
Index .....	877
