Organization of Volume one 1

1 Supratentorial Tumors 3

Introduction 4

Tumors of the Optic Chiasm, Pituitary Region, an Hypothalamus 17

Pituitary Adenomas 32

Craniopharyngiomas 41

Suprasellar Meningiomas 65

Teratomas 71

Epidermoids (Cholesteatomas) 72

Infundibulomas 73

Intrasellar Aneurysms 74

Gliomas of the Optic and Hypothalamus 75

Tumors of the Supratentorial Ventricular System 77

Tumors of the Anterior Third Ventricle 77

Tumors of the Lateral Ventricles and Third Ventricle 85

Tumors of the Lateral Ventricles 106

Tumors of the Third Ventricle 122

Tumors of the Pineal Region, Posterior Third Ventricle, and Midbrain 147

Tumors of the Pineal Region and Posterior Third Ventricle 166

2 Tumors of the Base of the Skull 191

Introduction 192

Tumors of the Anterior Skull Base (Anterior Cranial Fossa) 193

Tumors of the Anterior Skull Base, Maxillofacial Region, and Anterior Approaches to the Clivus 193

Tumors of the Middle Skull Base (Middle Cranial Fossa) 236

Tumors of the Parasellar Region, Cavernous Sinus, Upper Clivus, and Petrous Apex 236

Tumors of the Tentorium, Petroclival Region, and Middle Clivus 299

Tumors of the Posterior Skull Base (Posterior Cranial Fossa) and Craniocervical Junction 392

Tumors of the Foramen Magnum and Lower Clivus 407

Tumors of the Craniocervical Junction 439

3 Infratentorial Tumors 451

Tumors of the Fourth Ventricle 478

Tumors of the Cerebellar Vermis 493

Tumors of the Cerebellar Hemispheres 501

Tumors of the Cerebellopontine Angle 510

Arachnoiditis of the Cerebellopontine Angle 528

Neurinoma of the Statoacoustic Nerve 530

Neurinomas of the Facial Nerve 579

Neurinomas of the Trigeminal Nerve 582

Neurinomas of the Glossopharyngeal Nerve 585

Neurinomas of the Vagus Nerve 586

Meningiomas of the Cerebellopontine Angle 587

Epidermoids (Cholesteatomas) of the Cerebellopontine Angle 591

Choroid Plexus Papillomas of the Cerebellopontine Angle 596

Intracranial Reconstruction of the Facial Nerve 604

Tumors of the Brain Stem (Pons and Medulla Oblongata) 609

Superficial Diffuse Tumors 609

Intrinsic Diffuse Tumors 609

Exophytic Diffuse Tumors 614

Intrinsic Focal Tumors 619

Exophytic Focal Tumors 628

Cavernous Malformations 632

Congenital Malformations 637

Index 648

Volume Two:

Cerebrovascular and Intraspinial Lesions

By R. F. Spetzler, W. T. Koos, J. Lang with
Contributions by A. Perneczky, B. Richling,
J. M. Zabramski

Tables of Approaches

- Sella and Perisellar Region
(Middle Skull Base) 29
- Transcortical of the Lateral Ventricles
and Third Ventricle 98
- Midline Transcallosal to the Lateral
Ventricles and Third Ventricle 101
- Pineal Region and Midbrain 154
- Anterior Midline to the Anterior Skull
Base (Anterior Cranial Fossa) and the
Clivus 200
- Middle Skull Base
(Middle Cranial Fossa) 250
- Posterior Skull Base I
(Posterior Cranial Fossa) 407
- Posterior Skull Base II
(Posterior Cranial Fossa) 469
